CLIENT TERMS AND CONDITIONS

1 Introduction

- 1.1 TF Global Markets (Aust) Pty Ltd trading as “ThinkMarkets” (ABN 69 158 361 561) (“**ThinkMarkets**”; “**we**”; “**us**”; “**our**”) holds an Australian Financial Services Licence number 424700. Our registered office is at Level 14, 333 Collins Street, Melbourne, Victoria, Australia 3000.
- 1.2 This document (the “**Terms**”) is a master agreement and together with the Product Disclosure Statement “PDS” (only if you are a Retail Client) and the Account Opening Form sets out the terms of the wider Agreement between us and you, the Client (“**you**”; “**your**”) relating to the provision of General Advice to you and/or the execution of Contracts including Margin FX contracts and CFDs. The Agreement governs the trading services provided by us to you.
- 1.3 CFDs are complex instruments and come with a high risk of losing money. You should consider whether you understand how CFDs work and whether you can afford to take the risk of making losses that can be as great as the sum of your deposits.
- 1.4 Wholesale Clients and Sophisticated Investors (a “Professional Client”) can trade at higher leverage than Retail Clients. Derivative products are leveraged products and can result in losses that exceed initial deposits. Please ensure you fully understand the risks associated with transacting as a Professional Client.
- 1.5 You should take sufficient time to read and understand the Agreement before you apply to open an Account or give us an Instruction or enter a Contract with us. Please contact us if you have any queries in relation to the Agreement or seek independent professional advice if you do not understand any aspect. Unless we have agreed in writing that any part of the Agreement does not apply to you, we will regard the Agreement as setting out all the relevant terms concerning our trading services and, specifically, all Contracts which you enter with us. Instructions that we execute are legally binding and enforceable under this Agreement. By completing and signing your Account Opening Form or electronically submitting your Account Opening Form on our Website or via a mobile application, as applicable, you confirm that you accepted the terms and conditions of the Agreement.
- 1.6 This Agreement supersedes all our previous client terms and conditions and any amendments thereto and will be effective either on the date we notify you as being the effective date or the date we open your new Account.
- 1.7 We provide General Advice and execution-only foreign exchange, Margin FX and CFD trading services. If we provide General Advice to you then you acknowledge that the advice is general in nature and it does not consider your personal objectives, circumstances or needs. You must always consider your own objectives, circumstances or needs, as well as the relevant PDS (if you are a Retail Client), before deciding to use our services. General Advice is provided without charge of fees. Under no circumstances will we provide Personal Advice to you.
- 1.8 From time to time, we may make additional services or products available to you. Such additional services or products may be subject to other special terms and conditions.
- 1.9 Capitalised words and expressions used in these Terms have the meanings set out in clause 30.4.

2 ThinkMarkets' electronic trading services, our dealings with you and your Account

- 2.1 Our trading service is an electronic service, and you consent to us providing you with certain information about us and our trading services and any changes to them, including this Agreement, the ASIC Benchmarks, and our Fair Execution Policy electronically, either via our Website, the Trading Platform or by email. We will not send you any kind of paper form of any information or documents referred to in the Agreement unless you specifically request us to do so.
- 2.2 We will deal with you as principal under the Agreement and not as agent on your behalf. This means that any Contracts are agreed directly between you and us and we will be the counterparty to all the Contracts. Unless otherwise agreed in writing, you will deal with us as principal and not as an agent or representative of another person. You shall provide us with a list of persons authorised to access our service and/or enter Contracts on your behalf (each, an **"Authorised Person"**). You will also inform us of any applicable authorisation limits at this time in accordance with clause 13. Where reasonably necessary to protect our legitimate business interests or to comply with any applicable Law, we reserve the right at any time to refuse the appointment or continuation of an Authorised Person without reason
- 2.3 You shall immediately notify us when any new person becomes an Authorised Person or when any existing Authorised Person is no longer entitled to be an Authorised Person. Upon receiving Notice, the change in Authorised Person is effective immediately subject to us collecting and verifying identification documents to our satisfaction. However, the Notice shall not affect any Instructions, or any Contracts that have already been executed.
- 2.4 You hereby indemnify and agree to hold ThinkMarkets harmless in respect of any loss incurred by an Authorised Person entering any Contract or other transaction contemplated by this Agreement, except to the extent any such loss has occurred due to our fraud, wilful default or negligence. Any appointment of an Authorised Person pursuant to clause 2.2 shall remain in full force and effect as an appointment in writing required by the Agreement unless and until Notice of cancellation of appointment and/or replacement has been received by us subject to us collecting and verifying identification documents to our satisfaction.
- 2.5 Until you have provided a Notice to us to the contrary, or unless ThinkMarkets has reasonable grounds to believe for example, we may become aware of a cyber security incident that has compromised certain accounts or may become aware of a dispute between Authorised Users on an account. Otherwise, we may continue to assume that all existing Authorised Persons have full authority to execute legally binding transactions with us.
- 2.6 ThinkMarkets will be entitled to rely on any Instructions given to us and accepted by an Authorised Person in relation to your Account. Any action taken by an Authorised Person in respect of your Account shall be deemed to be an action by you and will be binding upon you unless you have provided prior Notice, under clause 2.4, confirming that the Authorised Person is no longer entitled to be an Authorised Person.
- 2.7 You shall take reasonable steps to ensure that each Authorised Person complies in full of this Agreement.
- 2.8 We will treat you as a Retail Client unless you specifically ask to be treated as and are assessed and approved by us as being a Wholesale Client or Sophisticated Investor. **If you are a Wholesale Client or Sophisticated Investor (a "Professional Client"), there are some Retail Client protections in these Terms that will not apply to you. You should read this Agreement very carefully to understand the differences.**

- 2.9 Most dealings with you under the Agreement will be carried out by ThinkMarkets on an execution-only basis. While some of our staff are authorised to give you General Advice, none of our staff are authorised to provide you with Personal Advice. Accordingly, you should not regard any proposed Instruction or Contract, suggested trading strategies, factual market information or analysis, market commentary, or any other written or oral communications from us as expressing our view as to whether a particular Contract is suitable for you or meets your financial objectives. You must rely on your own judgement for any investment decision you make in relation to your Account.
- 2.10 We are obliged under Law to obtain information about you and your relevant investment knowledge so that we can assess whether our services or products are appropriate for you. However, we are not obliged to assess or ensure the suitability of any Instruction you give us or any Contract you enter with us. If you choose not to provide us with the information we request or if the information you provide is insufficient, we will be unable to assess whether our services or products are appropriate for you, and we will not be able to open an Account for you.
- 2.11 You undertake that any information you provide to us is correct. You are required to immediately inform us of any material change to the information provided to us on your Account Opening Form or by any other means, including any change to your contact details or financial status or any of the information referred to in clause 2.11 above.
- 2.12 ThinkMarkets may offer different types of accounts, including for different products and with different features. We reserve the right to refuse to open an account for any reason.
- 2.13 Your Account will be designated in a Base Currency and be set to immediate conversion. This means that we will automatically convert any Closed P/L, any adjustments and any fees and charges that are denominated in another currency to your Base Currency before applying them to your Account. Similarly, we will automatically convert any money received from you in a non-Base Currency into your Base Currency. Your default Base Currency can be found in ThinkPortal. Conversions from another currency to your Base Currency may incur fees. Details can be found in the PDS and Financial Services Guide. Whenever we convert (notionally or physically) one currency (e.g. Base Currency) into another currency, or vice versa, doing so is a Foreign Exchange Contract.
- 2.14 Unrealised Profits and Unrealised Losses that are denominated in a non-Base Currency may be valued at or converted by us from time to time in notional terms to your Base Currency. Such balances have not been physically converted by us and are for your information purposes only.
- 2.15 If you open an Account jointly with other individuals, then:
- 2.15.1 we may act on Instructions from you or any other person in whose name the Account has been opened for (each a "**Joint Account Holder**");
 - 2.15.2 we may give any Notice or communication under this Agreement to either you or another Joint Account Holder, and any Notice or communication so given shall be deemed to have been made to all Joint Account Holders;
 - 2.15.3 to the extent permitted by Law and this Agreement all Joint Account Holders shall be jointly and severally liable for all losses and charges arising on a joint Account under this Agreement;
 - 2.15.4 the death of any Joint Account Holder will be an Event of Default under clause 18.1; and
 - 2.15.5 on the death of any Joint Account Holder, notwithstanding our rights under clause 2.16.4 and 18.1, the Account will continue in the name of the survivor(s) unless or until closed.

- 2.16 You acknowledge and agree that you are responsible for monitoring your Open Positions, your Margin Requirement, and all other activity on your Account. You may access your Account information at any time by logging on to the Trading Platform. We are not obliged to monitor your Account or advise you on the effect of any Instruction, Contract or Open Position.
- 2.17 ThinkMarkets may offer a Client the opportunity to open a demo or demonstration account. The Client understands and agrees that any kind of execution in or on a demonstration account will differ from execution in or on a live account. You agree that in the absence of our fraud, wilful default or negligence, we will not be liable for any loss and/or other damage you incur by reason of such differences between the demonstration trading environment and the live trading environment.
- 2.18 You acknowledge and accept that any demonstration account that we offer is designed to allow you to test out the functionality of the platforms and products that we offer in a risk-free environment. Unlike a live account, a demonstration account does not offer the full features that are present while using a live account, nor does it take into consideration the following factors: slippage (both positive and negative), swaps, Corporate Actions, dividends, taxation, trading rebates, fees, rollover, leverage and concentration restrictions, liquidity, additional mark-ups, borrowing limitations, margin close outs or Spreads. There are other features and trading conditions that differ between the demonstration and live environments, including, but not limited to the range of products being offered at that time. A demonstration account should never be used to simulate any kind of live trading conditions.
- 2.19 When you enter into a transaction on the Trading Platform you are trading with CFDs and Margin FX, which means that you enter into a Contract with us for the difference between the value of an Underlying Instrument as specified on the Trading Platform at the time of opening a transaction, and the value of such Underlying Instrument at the time of closing the transaction, if the transaction is closed before expiration of the Contract. If the Contract is held until expiration, the Contract will represent a difference between the value of an Underlying Instrument as specified on the Trading Platform at the time of opening a transaction and a calculated settlement value that is based on the relationship of the strike price to the price of the Underlying Instrument. You acknowledge and agree that you are not entitled to ownership of any notional Underlying Instrument of a Contract e.g. the actual Shares or the rights offered in a rights issue event.

3 Legal Entity Identifier

- 3.1 To comply with the Law, ThinkMarkets must obtain a Legal Entity Identifier (LEI) from all entities that trade with us.
- 3.2 If you are an entity that requires an LEI ThinkMarkets may obtain a LEI on your behalf:
- 3.2.1 You consent to ThinkMarkets obtaining a LEI on your behalf; and
 - 3.2.2 Passing on the cost of obtaining a LEI to you by charging it to your Account, together with our reasonable administration costs in obtaining the LEI.
 - 3.2.3 Should we obtain an LEI on your behalf, you agree that we shall not be liable in any circumstance, whether known or unknown, for any indirect, economic, special, or consequential loss or damage of any nature.

4 The Price

- 4.1 Price indications from ThinkMarkets are available via the Trading Platform or by telephone (the **Indication**). The Indication is not binding, and you agree to accept the prices offered by us when the Contract is executed.

- 4.2 During Market Hours, we will quote a higher price for the Market and a lower price for the Market (each, “**Price**”).
- 4.3 The Price is determined by reference to the price of the Underlying Instrument which may be quoted on external securities exchanges or one or more third party reference sources (including bank and institutional data feeds) selected, acting reasonably. The Price may be adjusted by us by considering certain conditions, including trading volumes and liquidity. For Instructions given when the relevant securities exchange or reference source is closed or where there is no reference source, the Price will reflect what we consider the market price of the Underlying Instrument is at that time.
- 4.4 The Price and how we calculate the Price is determined in our absolute discretion, acting reasonably, and any changes to the Price are effective immediately.
- 4.5 We will accept an Instruction only based on the current Price. If, for any reason, the Price is not available on the Trading Platform you may contact our Client Management Team to obtain an Indication. If an Event Outside Our Control occurs, we may not be able to provide you with the Price.
- 4.6 We will take all reasonable steps to provide you with fair execution in accordance with ASIC requirements when we execute Instructions on your behalf. The arrangements we put in place to give you fair execution are detailed in our Fair Execution Policy.
- 4.7 For certain Contracts, the Spread may contain an element of commission for us. We set the Spread, and any changes to the Spread are effective immediately.

5 Your trading Instructions

- 5.1 When you or an Authorised Person contacts us by either telephone, electronically or otherwise, we may, ask for or clarify the following information where applicable:
- 5.1.1 your Account number;

- 5.2 Collectively, though not exhaustively, the information referred to in clause 5.1 or any portion thereof, constitutes the “**Instructions**”.
- 5.3 Subject to clause 5.4 below, Instructions may be given by you at any time via the Trading Platform. Instructions sent by you by email, text message or any instant messaging feature we offer to you as part of the Trading Platform or our trading service, will not be accepted by us and will not be effective for the purposes of the Agreement.
- 5.4 We may accept Instructions by telephone. You may only give an Instruction by telephone with one of our authorised employees during our normal hours of trading. Our normal hours of trading are specified on our Website.
- 5.5 You authorise us to act on any Instructions received by us via the Trading Platform or via telephone in accordance with clause 5.4 above using your Account Security Information unless you have notified us under clause 5.6.3 that your Account Security Information has

not been kept secure and confidential. To the extent permitted by Law and in the absence of our fraud, wilful default, or negligence, we accept no responsibility for any error made by you or an Authorised Person in providing us with Instructions or for any Instructions that are not received by us.

5.6 If you use our Trading Platform, you confirm and accept that:

- 5.6.1 you may be able to enter into Contracts at the Price quoted on the Trading Platform;
- 5.6.2 all transactions must be completed using the Account Security Information allocated to you by us. Unless you have notified us that the Account Security Information has been compromised, the valid entry of such login and password will constitute an authorisation by you to complete the Contract specified irrespective of whether the login and password are entered by an Authorised Person;
- 5.6.3 you must ensure that the Account Security Information is kept safe, secure, and confidential. You must also ensure that each Authorised Person to whom a login and password is provided, will keep them safe, secure, and confidential. You will advise us immediately if you have any reason to believe that the Account Security Information allocated to you have not been kept secure and confidential.
- 5.6.4 you must ensure that no unauthorised person is able to use the Account Security Information. As part of this obligation, you must ensure that each Authorised Person quits the Internet browser after using the Trading Platform.
- 5.6.5 It is your responsibility to keep your Account Security Information confidential and to not disclose your Account Security Information to any other person. If you suspect that your Account Security Information is being used by an unauthorised person, you must notify our Client Management Team in writing immediately. In the absence of our fraud, wilful default or negligence, you will be responsible for all losses, liabilities, actions, proceedings, claims, damages and/or costs resulting from or arising out of any act or omission by any person accessing your Account through your Account Security Information.
- 5.6.6 We may change the minimum specification required to access the Trading Platform and may also make operational changes to and alter the services currently available at any time. We will notify you of any such changes in accordance with clause 26.
- 5.6.7 Where it is reasonably necessary to protect our legitimate business interests or to comply with any applicable Law, we may without Notice to you suspend, withdraw, or deny access to the Trading Platform for any reason including but not limited to security, quality of service, failure by you to pay an amount when due or breach by you of any provision of this Agreement. If and while access is suspended, we may, in our sole discretion (with or without notice):
 - (a) permit you to close any Open Positions but will not be entitled to enter new Contracts; and
 - (b) close out your Open Positions at prices we consider fair and reasonable at that time, and to the extent permitted by law, if you are a Wholesale Client or Sophisticated Investor, you agree not to make any claim against us in this regard.

- 5.7 You must not:
- 5.7.1 misuse the Trading Platform by knowingly introducing viruses, trojans, worms, logic bombs or other material which is malicious or technologically harmful;
 - 5.7.2 attempt to gain unauthorised access to the Trading Platform or any server, computer or database connected to the Trading Platform;
 - 5.7.3 attack the Trading Platform including via a denial-of-service attack or a distributed denial-of-service attack.

By breaching this provision, you may have committed a criminal offence. We may report any such breach to the relevant law enforcement authorities and will co-operate with those authorities by disclosing a client's identity to them. In the event of such a breach, your right to use the Trading Platform will cease immediately and without Notice.

- 5.8 ThinkMarkets may within reason, accept or reject your Instruction at any time until the Instruction has been executed by us or we have acknowledged that your Instruction has been withdrawn.

- 5.9 ThinkMarkets will reserve the right to refuse to execute any new Instruction. Where we refuse to execute an Instruction, we are not obliged to give a reason for our refusal or notify you that we have not created a Contract with you. The situations in which we may refuse to execute any new Instruction may include, but are not limited to the following:

- 5.9.1 the Price is expressed as being "indicative only";
- 5.9.2 Instructions are given outside of the specified Market Hours;
- 5.9.3 Instructions are larger than the Normal Market Size or smaller than the Minimum Trade Size we set for the Market;
- 5.9.4 your Available Margin is insufficient to cover the Margin Requirement;
- 5.9.5 the Price or the proposed Contract derives from a Manifest Error;
- 5.9.6 an Event Outside Our Control has occurred;
- 5.9.7 an Event of Default has occurred;
- 5.9.8 any amount you owe us under the Agreement has not been paid; or
- 5.9.9 you give multiple Instructions which, in aggregate, exceed our Normal Market Size.

- 5.10 If ThinkMarkets has already executed an Instruction before becoming aware of any of the factors in clause 5.9 above, we may, either treat such an Instruction as void from the outset or close the applicable Contract at our then prevailing Price.

- 5.11 Unless Open Positions are closed in accordance with this clause 5, or are terminated, void or otherwise closed in accordance with the Agreement, Open Positions will either remain open until their expiry if they have an expiry date or indefinitely if they do not. On the expiry date, the Open Position will be closed at the prevailing Price at the time the Open Position is closed.

- 5.12 ThinkMarkets will only execute Instructions during our normal hours of trading and the Market Hours for the relevant Market. Market Hours are stated in the "Contract Specifications" section which is available on the Website. We will notify you of any change

to Market Hours in accordance with clause 26, and any change will be effective immediately upon notification being provided.

6 Margin Requirement

- 6.1 For us to accept an Instruction which would create an Open Position, your Available Margin must be sufficient to cover the Margin Requirement in respect of that Open Position. If your Available Margin is less than the Margin Requirement for the Open Position, ThinkMarkets will not execute your Instruction.
- 6.2 The Margin Requirement is due and payable by you in the form of funds credited to your Account when you give an Instruction and must be maintained at all times until the Open Position is closed. Until the Open Position is closed, the Margin Requirement may increase or decrease at any time (including but not limited to where the Price for the relevant Market changes or where the exchange rate changes between the Base Currency and the currency of the Open Position).
- 6.3 ThinkMarkets may, in our sole discretion (with or without notice) alter the Margin Requirement at any time. Where possible, we will notify you of any alteration in accordance with clause 26, and any change to the Margin Requirement will be effective immediately (unless we notify you otherwise).
- 6.4 You acknowledge and agree that it is your responsibility to know the current Margin Requirement applicable to your Account and Open Positions.
- 6.5 If you are a Retail Client, the Margin Requirement is at least the amount specified in the Product Intervention Order. Those amounts are expressed as a percentage of the notional value of a Contract at the time of its issue. Those amounts are:
- 6.5.1 3.33% if the Underlying Instrument is a major currency pair;
 - 6.5.2 5% if the Underlying Instrument is a major stock market index, an exchange rate for a minor currency pair or gold;
 - 6.5.3 10% if the Underlying Instrument is a minor stock market index or a commodity other than gold;
 - 6.5.4 50% if the Underlying Instrument is a digital currency;
 - 6.5.5 20% if the Underlying Instrument is not referred to in sub-clauses 6.5.1-6.5.4

7 Margin Close Out

- 7.1 If the Equity for your Account falls below the Stop Out Level, this will constitute an Event of Default under clause 18.1. In such circumstances:
- 7.1.1 if you are a Retail Client, ThinkMarkets may take any of the following steps specified at clause 18.2, and, will start closing your Open Positions on your Account as soon as market conditions allow without any notice to you (**Margin Close Out**) until the first of the following occurs:
 - a. the Equity in your Account becomes equal to or greater than the Stop Out Level for your remaining Open Positions in respect of that Account; or
 - b. all your open positions in respect of the Account have been terminated;
 - 7.1.2 if you are a Wholesale Client or Sophisticated Investor, we may take any of the steps specified at clause 18.2, and, in particular:

- (a) close all or any of your Open Positions immediately without Notice. We will close your Open Positions at the next prevailing Price. For certain positions where the underlying Market is illiquid Open Positions will be closed in partial amounts over a period; and/or
 - (b) refuse to execute new Instructions until your Margin Level is 100% or greater.
- 7.2 Notwithstanding clause 7.1.1 above, if you are a Wholesale Client or Sophisticated Investor, ThinkMarkets does not guarantee that your Open Positions will be closed when the Margin Level for your Account reaches the Stop Out Level.
- 7.3 The Stop Out Level applicable to your Account is stated in the “Fair Execution Policy” section of the Derivatives Legal Documentation part of the Website. ThinkMarkets may alter the Stop Out Level at any time – if that level is within the requirements of the Product Intervention Order in the case of a Retail Client. We will notify you of any alteration in accordance with clause 26, and, subject always to our rights in clauses 13 and 14, we will give you at least three (3) Days’ Notice of any change to your Stop Out Level.
- 7.4 You acknowledge and agree that it is your responsibility to always monitor your Account and to maintain your Margin Level above the Stop Out Level.
- 7.5 ThinkMarkets has the right to determine the mark to market value from time to time.
- 7.6 In addition to other remedies available to ThinkMarkets, if you fail to pay an amount when due under this Agreement, we have the right to terminate any or all of your Open Positions.
- 7.7 If you are a Retail Client, you have Negative Balance Protection. This means that you will not remain liable for any negative balances which cannot be covered by the closing out of all your Contracts in connection with your Account. This is because our recourse is limited to the monies in your Account, including monies arising from Margin Close Outs (See clause 7.1 above). This means that where your Account balance falls below zero, your Account balance will be restored to zero. t

8 Corporate Event or Division Events

- 8.1 If a Corporate Event or Division Event occurs in relation to any Underlying Instrument and/or its issuer or technology environment (for example, Distributed Ledger Technology), ThinkMarkets may, acting in a commercially fair and reasonable manner, adjust your Open Positions, limit orders, and stop loss orders.
- 8.2 The adjustments ThinkMarkets may make will be determined reasonably and will be binding on you. Such adjustments may include, but are not limited to one or more of the following:
 - 8.2.1 changing the Margin Requirement;
 - 8.2.2 adjusting the opening price of an Open Position to reflect the impact of the relevant action or event;
 - 8.2.3 opening one or more new positions;

 - 8.2.5 cancelling any stop loss orders and limit orders;
 - 8.2.6 suspending or modifying the application of any part of this Agreement;
 - 8.2.7 crediting or debiting sums to your Account as appropriate; and

8.2.8 taking any and all such other action as we consider reasonably necessary.

8.3 When ThinkMarkets adjusts Open Positions in accordance with clause 8, where reasonably practicable we will adjust the Open Position to be effective from the commencement of Market Hours on the same Business Day on which the relevant event is effective in relation to the Underlying Instrument.

9 Statements

9.1 ThinkMarkets will provide you with information about your Account by providing you with a Statement. Statements will be made available to you on the Trading Platform and by email. If requested, we will also send via post Statements to you.

9.2 It is your responsibility to review all Statements to ensure that they are accurate. You will be deemed to have acknowledged and agreed with the content of any Statement that we make available to you unless you notify us to the contrary in writing.

9.3 If you do not receive a Statement for any Instruction you have placed, please inform our Client Management Team immediately. Our failure to provide you with a Statement does not invalidate or void an Instruction that we have already confirmed as executed in accordance with clause 5.3. New Statements will be provided to you if your Instruction is amended for any reason, including in accordance with our rights in clauses 12, 13 and 14.

10 Fees and charges

10.1 There are fees and charges associated with trading with ThinkMarkets, including Spread cost, commissions, financing fees and third-party payment processing fees. The current fees and charges applicable to your Account, and for which you will be liable for, are specified in the Financial Services Guide and available on our website. Applicable fees and charges may affect any Closed P/L on your Account.

10.2 ThinkMarkets reserves the right to amend the fees and charges at any time. We will notify you of any change to our current fees and charges or any additional fees and charges that we may apply to your Account from time to time in accordance with clause 26. Other than in respect of any alterations to Spreads which will be effective immediately in accordance with clause 4.7, we will give you at least thirty (30) days' Notice of any change to applicable fees and charges which may negatively affect you.

10.3 ThinkMarkets may impose new fees and charges for using our services, by providing Notice to you. If you do not consent to the new fees and charges, you can terminate the Agreement and the new fees and charges will not apply to new Contracts. If you terminate the Agreement under this clause, all existing Contracts will survive the termination of this Agreement.

10.4 All fees and charges will be inclusive of any value added tax or similar taxes, as applicable.

10.5 ThinkMarkets is not responsible for any fees or charges imposed by third party banks or other counterparties in connection with the use of our services.

10.6 In some circumstances several intermediaries may be involved in a payment transaction and may deduct a charge or fee. The receiving bank may also take a charge or fee. These charges/fees cannot always be calculated in advance, and you will be liable for these expenses.

10.7 ThinkMarkets will not be liable for losses that result from fees under clauses 10.5 and 10.6 being levied. We will use our best endeavours to ensure that all fees associated with an Instruction are disclosed at the time you gave the Instruction. However, due to the complexity of the international foreign exchange markets this may not always be possible.

If it is important that an exact amount of a particular currency arrives, you agree to advise us accordingly and we may be able to pre-cover any undefined charges.

11 Payments, withdrawing Monies on your Account and our rights of set-off

11.1 All payments to be made by you under the Agreement or as required by Law, including any amount by which your account is in debit, are due and payable to us immediately in full and must be made from an account held in your name only.

11.2 You acknowledge and agree that ThinkMarkets may refuse to accept and will attempt to return any payment of money from any third party or from any account of any third party, and that we do not accept any liability or responsibility for any loss, cost or expenses incurred or suffered by you in connection with such non-acceptance or return, including because you are subsequently in default of your obligations to us.

11.3 When making payments due to ThinkMarkets, unless otherwise agreed:

11.3.1 payments should be made in the Base Currency of your Account. If you make a deposit in another currency, ThinkMarkets will automatically convert it to your Base Currency at the prevailing exchange rate and will charge you a fee of 3% of the deposit amount (which will be automatically deducted);

11.3.2 we may require a minimum deposit amount;

11.3.3 we reserve the right to charge an administration fee for processing any payments by debit or credit card;

11.3.4 your Account will be credited with the net cleared Monies received after all bank fee deductions, administration fees and any other costs of transfer incurred in relation to the payment;

11.3.5 we do not accept cheques; and

11.3.6 we do not accept physical cash or payments from third parties.

11.4 Any sums that you owe to ThinkMarkets must be paid in one of the following ways:

11.4.1 by online bank transfer;

11.4.2 by same day bank transfer;

11.4.3 by international telegraphic transfer; or

11.4.4 by payment through a credit card or electronic gateway provider approved by us from time to time.

11.5 You must have sufficient cleared funds deposited into our designated account before ThinkMarkets will execute any Instructions or enter into any Contracts. We will indicate to you the sum required as the Margin Requirement for each Contract.

11.6 You will pay interest on any unpaid sums due to ThinkMarkets. Interest will accrue daily from the due date until the date on which payment is received in full at a rate not exceeding 4% above our applicable reference rate from time to time and will be payable on demand.

11.7 Subject to clause 11.6 and to our rights of set off under clause 11.8 below, if your Account is in credit, you may request that we make a payment to you. Unless otherwise agreed:

11.7.1 Each withdrawal must be for a minimum amount of AUD\$25 or its currency equivalent, or the full remaining balance in your Account;

- 11.7.2 we will transfer money back to the same source in your name from which you have made payment to us previously; and
- 11.7.3 you will be liable for any bank charges arising from the transfer.
- 11.8 ThinkMarkets may withhold any payment to you if:
 - 11.8.1 you have Unrealised Losses on your Account;
 - 11.8.2 such payment would reduce your Account balance to less than the Margin Requirement required on any Open Positions at that time;
 - 11.8.3 there is an outstanding payment amount due from you to us under the Agreement;
 - 11.8.4 there is an unresolved dispute between us and you in relation to the Agreement, including where you are in breach of these Terms, and which may affect your Account balance; or
 - 11.8.5 we are required to do so under Law.
- 11.9 If ThinkMarkets credits a payment to your Account but subsequently discover that the credit was made in error, we reserve the right to immediately:
 - 11.9.1 reverse any such credit; and/or
 - 11.9.2 void any or close any Open Positions which could not have been made but for that credit.
- 11.10 Without prejudice to ThinkMarkets' rights to require immediate payment from you in accordance with clause 11.1 above, we will, at any time, have the right to:
 - 11.10.1 combine and consolidate any money we or any of our Associated Companies hold for you in any or all the accounts you may have with us or with any of our Associated Companies; and
 - 11.10.2 set off any losses incurred in respect of, or any amounts that are payable by you to us, or any debit balances in, any of your Accounts (including a joint Account and an account held with an Associated Company) against any sums held by us to your credit in any of your other Accounts (including a joint Account and an account held with Associated Company). Where you are a Wholesale Client or Sophisticated Investor, and any loss or debit balance exceeds all amounts so held, you must pay such excess to us immediately.
- 11.11 If the rights under clauses 11.10 are exercised, all the payment obligations will be consolidated into an obligation for you to pay a net sum to ThinkMarkets or for us to pay a net sum to you.

12 Interest Charges on Open Position

- 12.1 In any Open Position held by you, ThinkMarkets will from time to time add an amount to your Account for interest earned, or subtract an amount from your account for interest incurred from the Value Date until the position is liquidated, in the following manner:
 - 12.1.1 For buying of one currency against the sale of another currency and the currency bought has a higher interest rate than the currency sold, the amount of interest or a portion of the amount of interest arising therefrom shall be added to your Account.

- 12.1.2 For selling of one currency against the purchase of another currency and the currency sold has a higher interest rate than the currency bought, the amount of interest or a portion of the amount of interest arising therefrom shall be subtracted from your Account.
- 12.1.3 For CFDs, any interest entitlement or liability arising from buying or selling the CFD shall be respectively added to, or subtracted from, your Account.
- 12.1.4 In the case of a negative interest rate, interest, or a portion of the amount of interest arising therefrom shall be subtracted from your Account.
- 12.2 Nothing in this clause 15 or other clauses shall be interpreted as binding ThinkMarkets to make any advance to you nor shall it prejudice any of our rights and remedies against you or any other persons under this Agreement, the Contracts or otherwise conferred by law, equity or usage.

13 Manifest Error

- 13.1 A Manifest Error is an error, omission or Misquote which by fault of either of ThinkMarkets or any third party is materially incorrect when considering market conditions and quotes in Markets or Underlying Instruments which prevailed at that time. It may for example include (but is not limited to) an incorrect price, date, time or Market or any error or lack of clarity of any information, source, commentator, official, official result, or pronouncement.
- 13.2 ThinkMarkets will take reasonable steps to prevent Manifest Errors from occurring.
- 13.3 If an Instruction is based on a Manifest Error, and where reasonably necessary to protect our legitimate business interests, ThinkMarkets reserves the right to:
 - 13.3.1 Cancel the Instruction or void the Instruction as if it had never taken place;
 - 13.3.2 close any Open Position resulting from the Instruction;
 - 13.3.3 Void or roll over any Open Positions;
 - 13.3.4 Refuse to execute or accept any Instructions;
 - 13.3.5 amend the Instruction or place a new Instruction so that (in either case) its terms are the same as the Instruction which would have been placed and/or continued if there had been no Manifest Error;
 - 13.3.6 Change your Stop Out Level;
 - 13.3.7 increase your Margin Requirement;
 - 13.3.8 immediately require payments of any amounts you owe us, including but not limited to the Margin Requirement;
 - 13.3.9 change the Price and Spreads;
 - 13.3.10 change the Minimum Trade Size or Normal Market Size for any Market;
 - 13.3.11 alter our normal trading times for all or any Markets; or
 - 13.3.12 take all such other actions as we consider to be reasonable in the circumstances to protect us, our Associated Companies or any of our other clients.

- 13.4 ThinkMarkets will exercise the rights in clause 13.3 acting reasonably and as soon as reasonably practicable after we become aware of the Manifest Error. If you consider that an Instruction is based on a Manifest Error, you must notify our Client Management Team immediately.
- 13.5 If a Manifest Error has occurred and you have received Monies from ThinkMarkets in connection with the Manifest Error, you agree that such Monies are due and payable to us immediately.
- 13.6 To the extent permitted by Law and in the absence of our fraud, wilful default, or negligence, we will not be liable for any loss, cost, claims or demand for expenses resulting from a Manifest Error.

14 Events Outside Our Control

- 14.1 ThinkMarkets may, in our reasonable opinion, determine that a situation or an exceptional market condition exists which constitutes an Event Outside Our Control. An Event Outside Our Control includes but is not limited to:
 - 14.1.1 any strike, lock-out or other industrial dispute, riot, sabotage, terrorism, war (whether declared or not), insurrection, civil commotion, national emergency (whether in fact or law), martial law, nuclear, chemical or biological contamination, act of God, epidemic, pandemic, quarantine, malicious damage, accident, breakdown of equipment, fire, flood, cyclone, earthquake, landslide, explosion, water shortage, storm, interruption of power supply, failure of a utility service or breakdown of or interruption in any electronic, communication or information system;
 - 14.1.2 compliance with any Law, statute, governmental order or regulatory requirement, or any change in or amendment to any Law, statute, regulation or rule (or in the application or official interpretation by any court, tribunal, governmental agency or regulatory authority);
 - 14.1.3 any act, event or occurrence that prevents us from maintaining orderly trading or hedging activities in one or more of the Underlying Instruments in respect of which we ordinarily accept Instructions under the Agreement;
 - 14.1.4 the suspension or closure of any exchange or market, or the abandonment or failure of any event on which we base or to which we in any way relate, the Price, or the imposition of limits or special or unusual terms on the trading in any such exchange or market or on any such event;
 - 14.1.5 an unusual movement in the level of, or unusual loss of liquidity in, any Underlying Instrument or our reasonable anticipation of the occurrence of the same;
 - 14.1.6 any breakdown or failure of transmission, communication or computer facilities, interruption of power supply, or electronic or communications equipment failure;
 - 14.1.7 failure of any relevant intermediate broker, exchange, clearing house or regulatory or self-regulatory organisation to perform its obligations for any reason; or
 - 14.1.8 any other event preventing us from performing or otherwise hindering our performance of any or all our obligations under the Agreement and which arise from or is attributable to an act, event, omission, or accident beyond our reasonable control.

- 14.2 If ThinkMarkets determines that an Event Outside Our Control has occurred, we may, at our absolute and sole discretion and where reasonably necessary to protect our legitimate business interests, without Notice and at any time, take one or more of the following steps:
- 14.2.1 close any Open Positions and/or cancel or execute any Instructions;
 - 14.2.2 void or roll over any Open Positions;
 - 14.2.3 refuse to accept or execute any Instructions;

- 14.3 To the extent permitted by law and in the absence of our fraud, wilful default, or negligence, ThinkMarkets will not be liable for any loss, cost, claims or demand for expenses resulting from an Event Outside Our Control.
- 14.4 ThinkMarkets may give a notice (“**a Disturbance Notice**”) to you at any time if we form the reasonable view that market conditions in the relevant market for the Underlying Instrument are seriously disturbed. This includes circumstances where, in our opinion, the Underlying Instrument is not available (for example, deposits in the currency concerned are not available) in the ordinary course of business to us in the relevant market or because of national or international financial political or economic circumstances, or because of exchange controls.
- 14.5 When a Disturbance Notice is given under clause 17.4, ThinkMarkets obligations will be suspended while you and us negotiate alternative arrangements. If both parties reach agreement before the Value Date, those alternative arrangements will apply. If both parties do not reach agreement within that period, each will be released from its obligations under the relevant transaction.

15 Events of Default

- 15.1 The following shall constitute an Event of Default:
- 15.1.1 if you are an individual, your death or your incapacity;
 - 15.1.2 the initiation of proceedings for your bankruptcy (if you are an individual) or for your winding-up or for the appointment of an administrator or receiver (if you are a company), or (in both cases) if you make an arrangement with your creditors or any other similar or analogous procedure is commenced in respect of you;

 - (a) negligence;
 - (b) mistake;
 - (c) wilful misconduct including:
 - (i) commission churning or any other type of churning
 - (ii) sniping
 - (iii) causing or contributing to a Manifest Error
 - (iv) moving the price of an Underlying Instrument or Contract

15.2 If an Event of Default occurs in relation to your Account, Thinkmarkets may, at our absolute and sole discretion, with or without Notice and at any time, take one or more of the following steps:

- 15.2.1 immediately require payment of any amounts you owe us, including but not limited to Margin Requirement;

 - 15.2.13 combine, close or consolidate any Accounts and offset any and/or amounts owed to, or by, us in such a matter as we may in our absolute discretion determine;

- 15.3 ThinkMarkets will, where reasonably practicable, take steps to advise you before exercising any of our rights under clause 15.2 above, unless we consider it necessary to protect our legitimate business interests to do so without prior Notice to you. However, any failure on our part to take such steps will not invalidate the action taken by us.

- 15.4 ThinkMarkets may, acting within reason, suspend your Account at any time. If your Account is suspended, you will not be able to provide us with Instructions other than to close your Open Positions. If you have not closed all Open Positions within a period of fourteen (14) days after your Account is suspended by us, we shall be entitled to take any of the actions under clause 15.2.
- 15.5 Without limiting ThinkMarkets rights to take any of the actions under clauses 15.2 and 15.4 above, we may also close or void individual Open Positions and/or cancel any Instructions where:
- 15.5.1 we are in dispute with you in respect of an Open Position or an Event of Default. In this case we will close all or part of the Open Position in order to minimise the amount in dispute;
 - 15.5.2 we identify or reasonably suspect that you have manipulated our Prices, execution process or other practices; or
 - 15.5.3 there is a material breach of the Agreement in relation to the Open Position.
- 15.6 ThinkMarkets may exercise our rights to close Open Positions under this clause 15 at any time after the relevant event has occurred and will do so on the basis of the next available Price.

- 16.3 You represent and warrant to ThinkMarkets that any Contracts entered with us are wholly or predominately for business and investment purposes and not for personal, domestic, or household use or consumption.
- 16.4 Notwithstanding our rights at clauses 15.1.5 and 15.2, any breach by you of a representation or warranty given under the Agreement renders, any Instruction and/or Contract void from the outset or capable of being closed by us at the then prevailing Price.

17 Limitation of our liability and indemnity

- 17.1 You agree to promptly pay ThinkMarkets for all damages, costs and expenses including reasonable legal fees and expenses, incurred by us in the enforcement of the provisions of this Agreement. Your obligations under this clause shall survive the termination of this Agreement.
- 17.2 ThinkMarkets will use reasonable endeavours to execute Contracts or make payments to you in accordance with the timing specified in your Instructions. However, we will not be liable for any direct, indirect, special, incidental, punitive, or consequential damages (including any loss of profits) incurred because of a delay in funds reaching your nominated account.
- 17.3 Nothing in this Agreement is intended to limit or exclude any liability ThinkMarkets may owe you under any statutory or regulatory rights you may have.
- 17.4 Subject to Clause 7.7, you acknowledge that you will be liable for any losses which may be realised as the result of entering a Contract, regardless of the trading resources available in relation to your Account at the time the Contract is executed.

18 Market abuse

- 18.1 When you enter a Contract with ThinkMarkets, we may hedge our liability to you by opening analogous positions with third party institutions we select at our discretion. Accordingly, your Contracts may have an impact on the external market for that Underlying Instrument which may create the possibility of market abuse.
- 18.2 You represent and warrant to ThinkMarkets and agree that each such representation and warranty is deemed repeated each time you give us an Instruction under the Agreement and that you will not give, and have not given, an Instruction to us:
 - 18.2.1 if to do so would result in you, or others with whom you are acting in concert, having an interest in the price of the Underlying Instrument which is equal to or exceeds the amount of a declarable interest in the Underlying Instrument;
 - 18.2.2 in connection with:
 - (a) a placing, issue, distribution or other analogous event;
