Third Party Services Disclaimer

MetaTrader 4 and MetaTrader 5

MetaTrader 4 and MetaTrader 5 (MT4 and MT5) and its Liquidity Bridge solution are third party software tools. ThinkMarkets does not participate in the servicing or the development and testing of this software, and as such does not assume any responsibility in regards to the performance and durability of MT4 & MT5
ThinkMarkets shall not be liable for, and Client agrees not to hold or seek to hold ThinkMarkets or its officers, directors, employees, or agents liable for, any technical problems, system failures and malfunctions, communication line failures, equipment or software failures and malfunctions, and other similar computer problems or defects. The MT4 & MT5 software is provided “as is,” and ThinkMarkets does not make any warranties or guarantees with respect to the MT4 & MT5 software, including without limitation, warranties of merchantability or fitness for a particular purpose. ThinkMarkets shall not be liable to Client, or Client’s Agent if applicable, for any loss, cost, damage, or other injury, whether in contract or tort arising out of or caused in whole or in part by Client’s use of or reliance on the MT4 & MT5 software or its content. In no event will ThinkMarkets be liable to Client for any punitive, consequential, special, or similar damages even if advised of the possibility of such damage. If some jurisdictions do not allow the exclusion or limitation of liability for certain damages, in such jurisdictions, the liability of ThinkMarkets shall be limited in accordance with this Agreement to the extent permitted by law.
Client understands and acknowledges that the MT4 & MT5 software includes trading systems developed by third parties over whom ThinkMarkets has no control and for whom ThinkMarkets is not responsible. All orders for trades placed pursuant to indicators generated by the MT4 & MT5 software are at the Client’s sole risk. ThinkMarkets makes no representations concerning the performance of any trading systems included in the MT4 & MT5 software or the suitability of the MT4 & MT5 software for use by Client. The provision of MT4 & MT5 software by the ThinkMarkets is for informational purposes and does not constitute an advice or recommendation. The MT4 & MT5 software does not consider any particular individual’s investment objectives, financial situation or needs, and should not be relied upon as a substitute for extensive research. Client should obtain advice based on their unique situation before making any investment decision based upon any information contained within.
If you incur difficulties concerning the access of your trading account, please contact us immediately.

Newsroom and Third-Party Trading Services

Any analysis, opinion, commentary, education, or research-based material on our website is for information and educational purposes only and is not, in any circumstances, intended to be an offer, recommendation or solicitation to transact in any financial instrument. Any research, analysis, opinion or cometary provided does not have regard to the specific investment objectives, financial situation and needs of any specific person who may receive it, and as such is a marketing communication. You should always seek independent advice as to your suitability to speculate in any related markets and your ability to assume the associated risks if you are at all unsure. No representation or warranty is made, express or implied, that the materials on our website are complete or accurate. Consequently, any person acting on it does so entirely at their own risk.

Our website may contain links to other resources provided by third parties. These resources are provided for your information only and we have no control over the contents of those materials, and in no way endorse their content. We will not be responsible or liable for any loss or damage incurred by you or any third party arising out of, or in connection with, any use of the information or the use of any third party service provided through our website (other than with regards to any duty or liability that we are unable to limit or exclude by law or under the applicable regulatory system) and any such liability is hereby expressly disclaimed.
