Benefits of becoming a signal provider

01

Become a signal provider to earn on your trading.

03

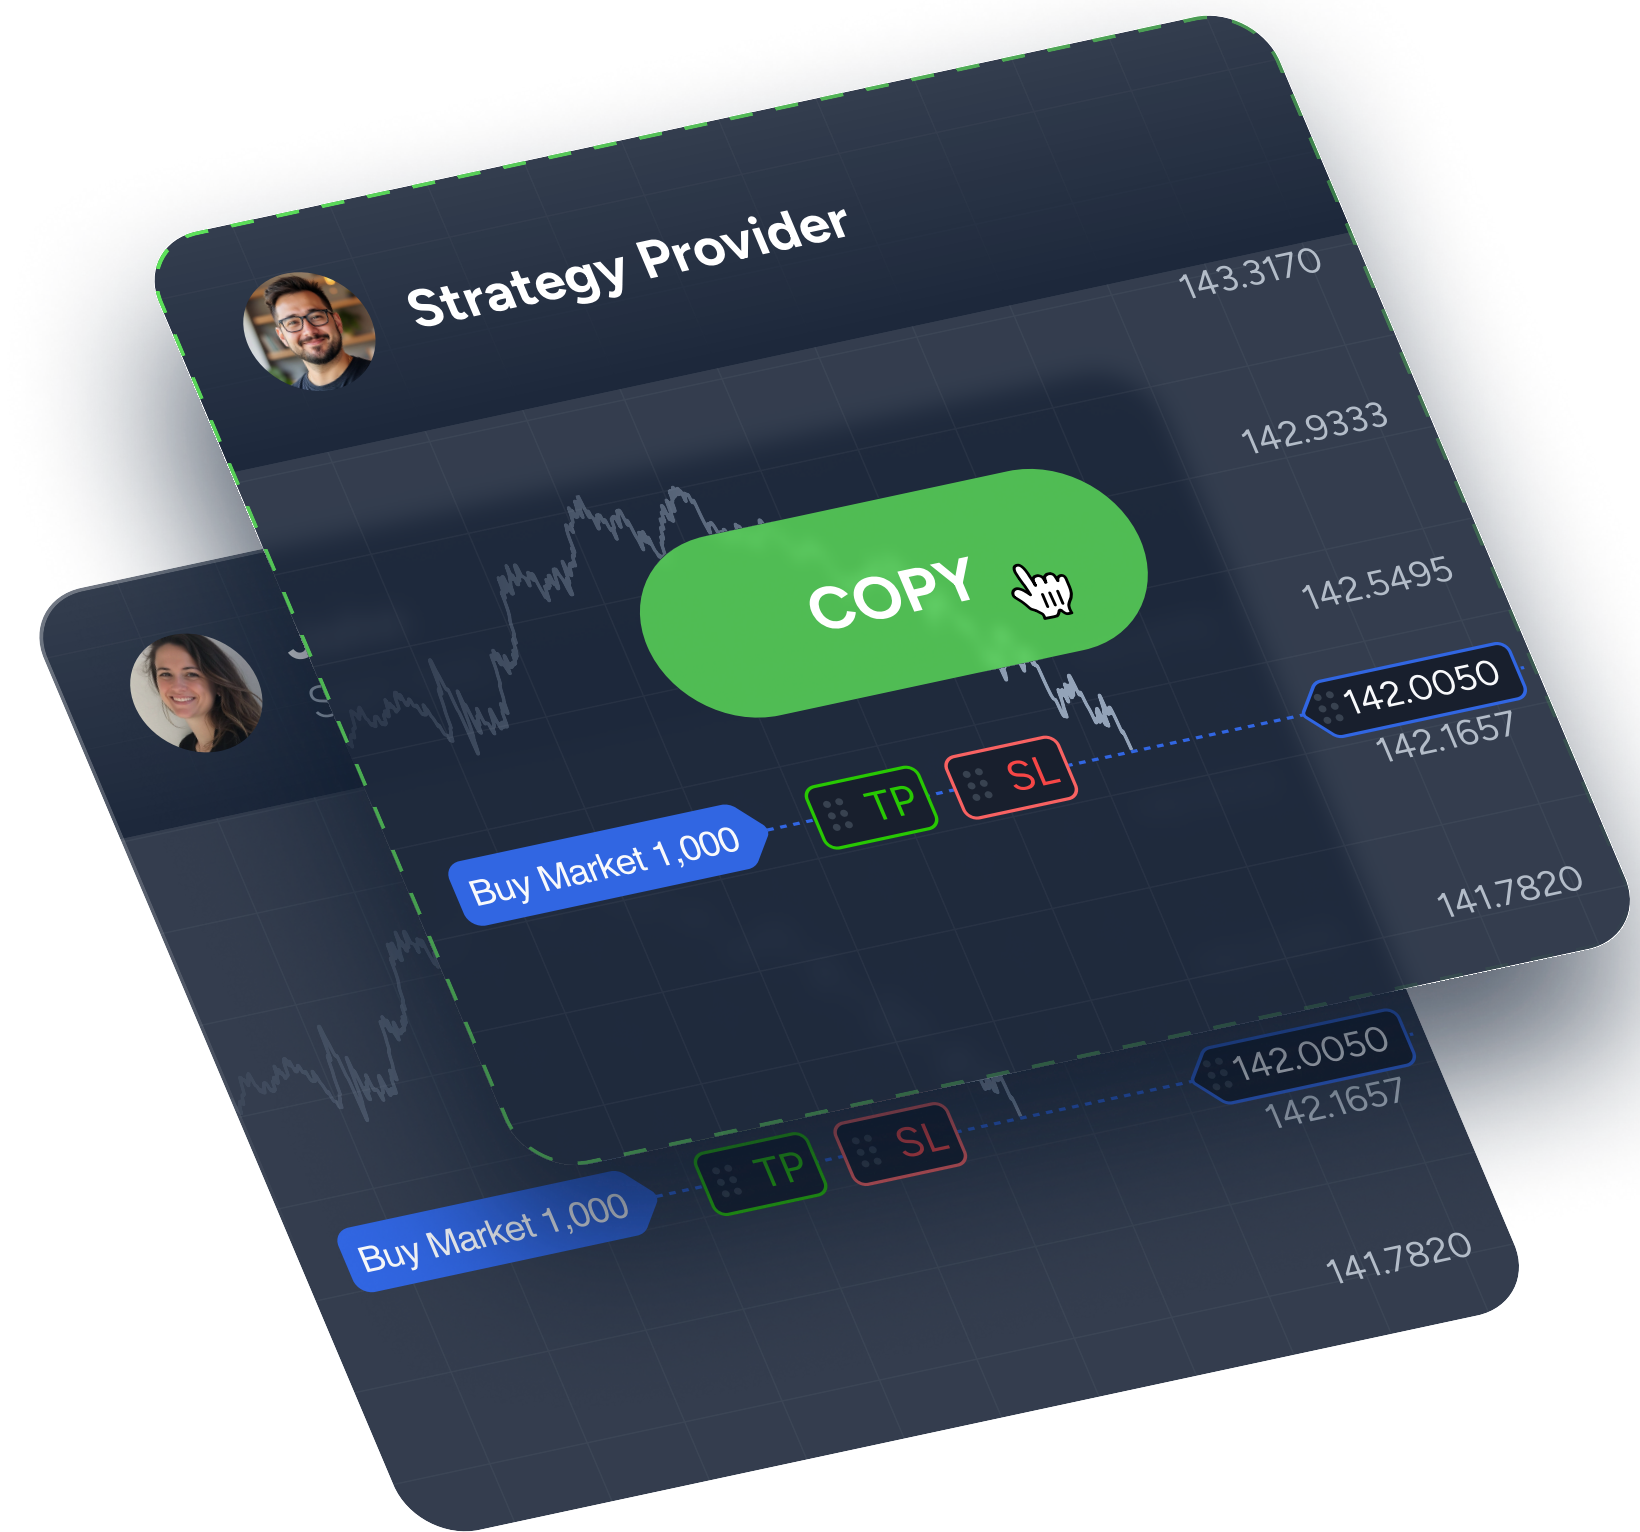

You earn when you perform and may charge a performance fee on high watermark profits up to 50%.

02

The better you trade and manage your risk, the higher you will rank on the leaderboard and the more followers you will attract.

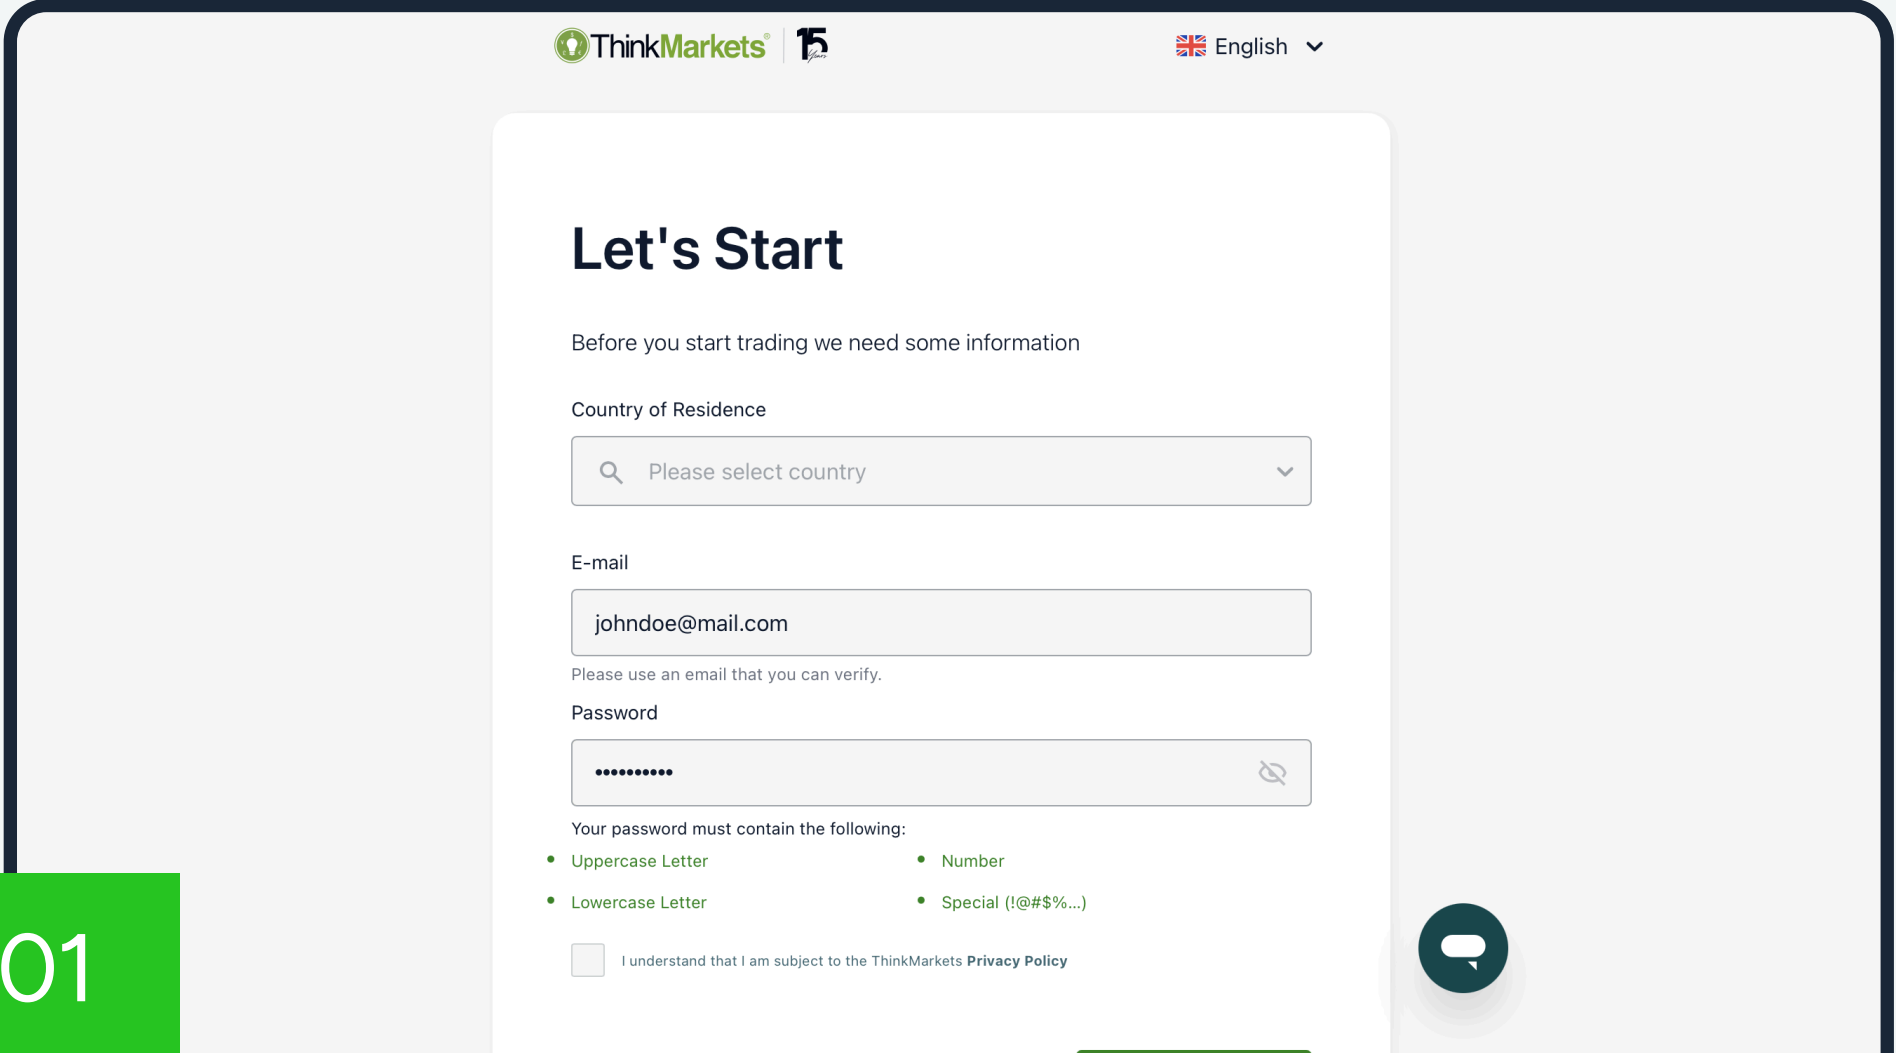

04

You can manage your trading from MetaTrader or directly through the ThinkCopy platform in your browser.

How to become a signal provider

01

ThinkMarkets®

Create ThinkCopy Account

Copy trade in 3 steps
Find a Signal Provider on the Leaderboard page, adjust your stake size, and click 'Subscribe'. It's that simple with ThinkCopy.

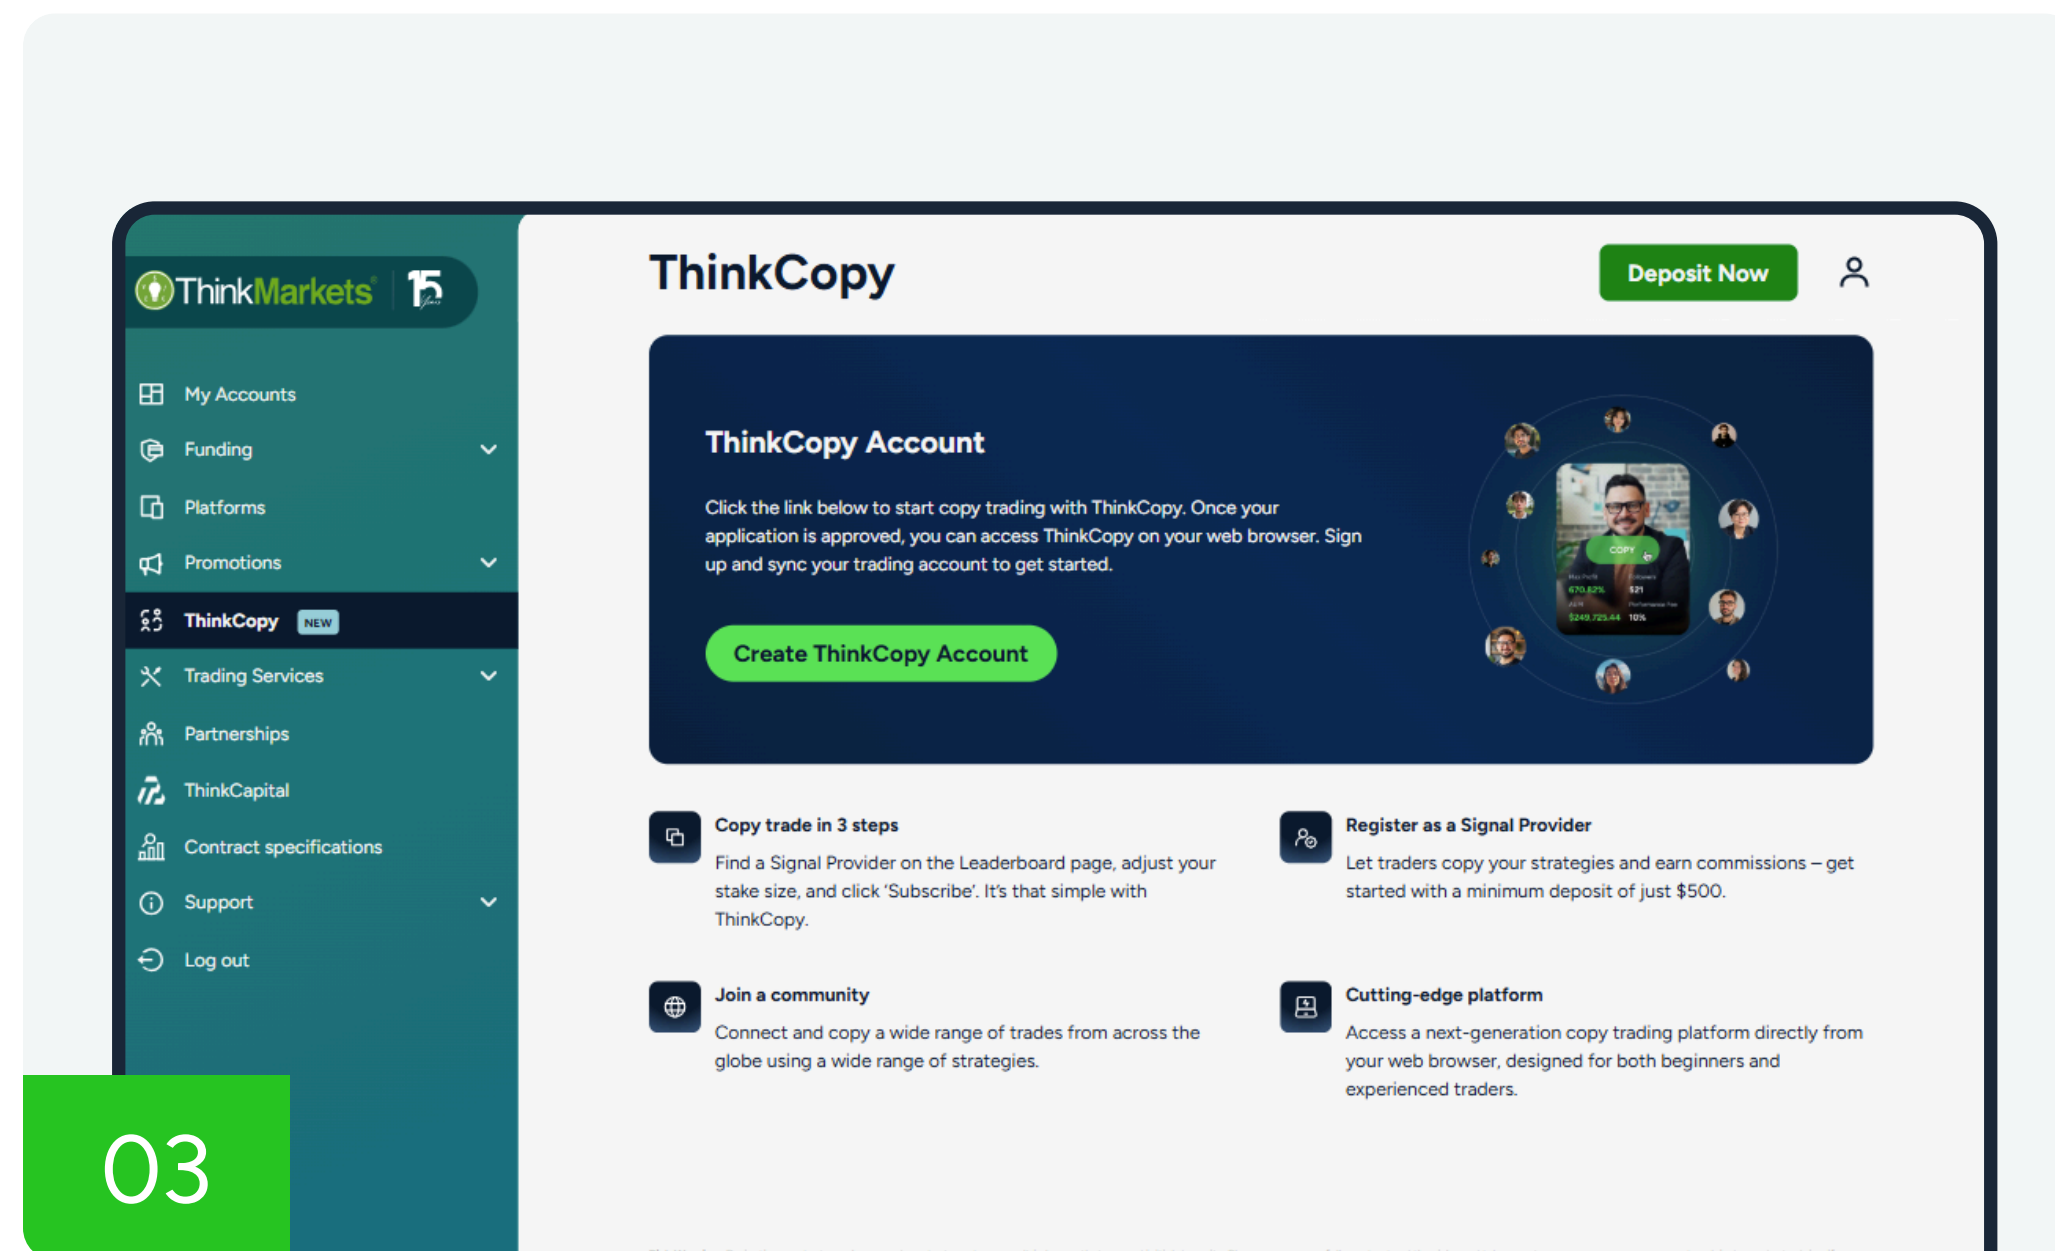

Join a community
Connect and copy a wide range of trades from across the globe using a wide range of strategies.

Register as a Signal Provider
Let traders copy your strategies and earn commissions – get started with a minimum deposit of just \$500.

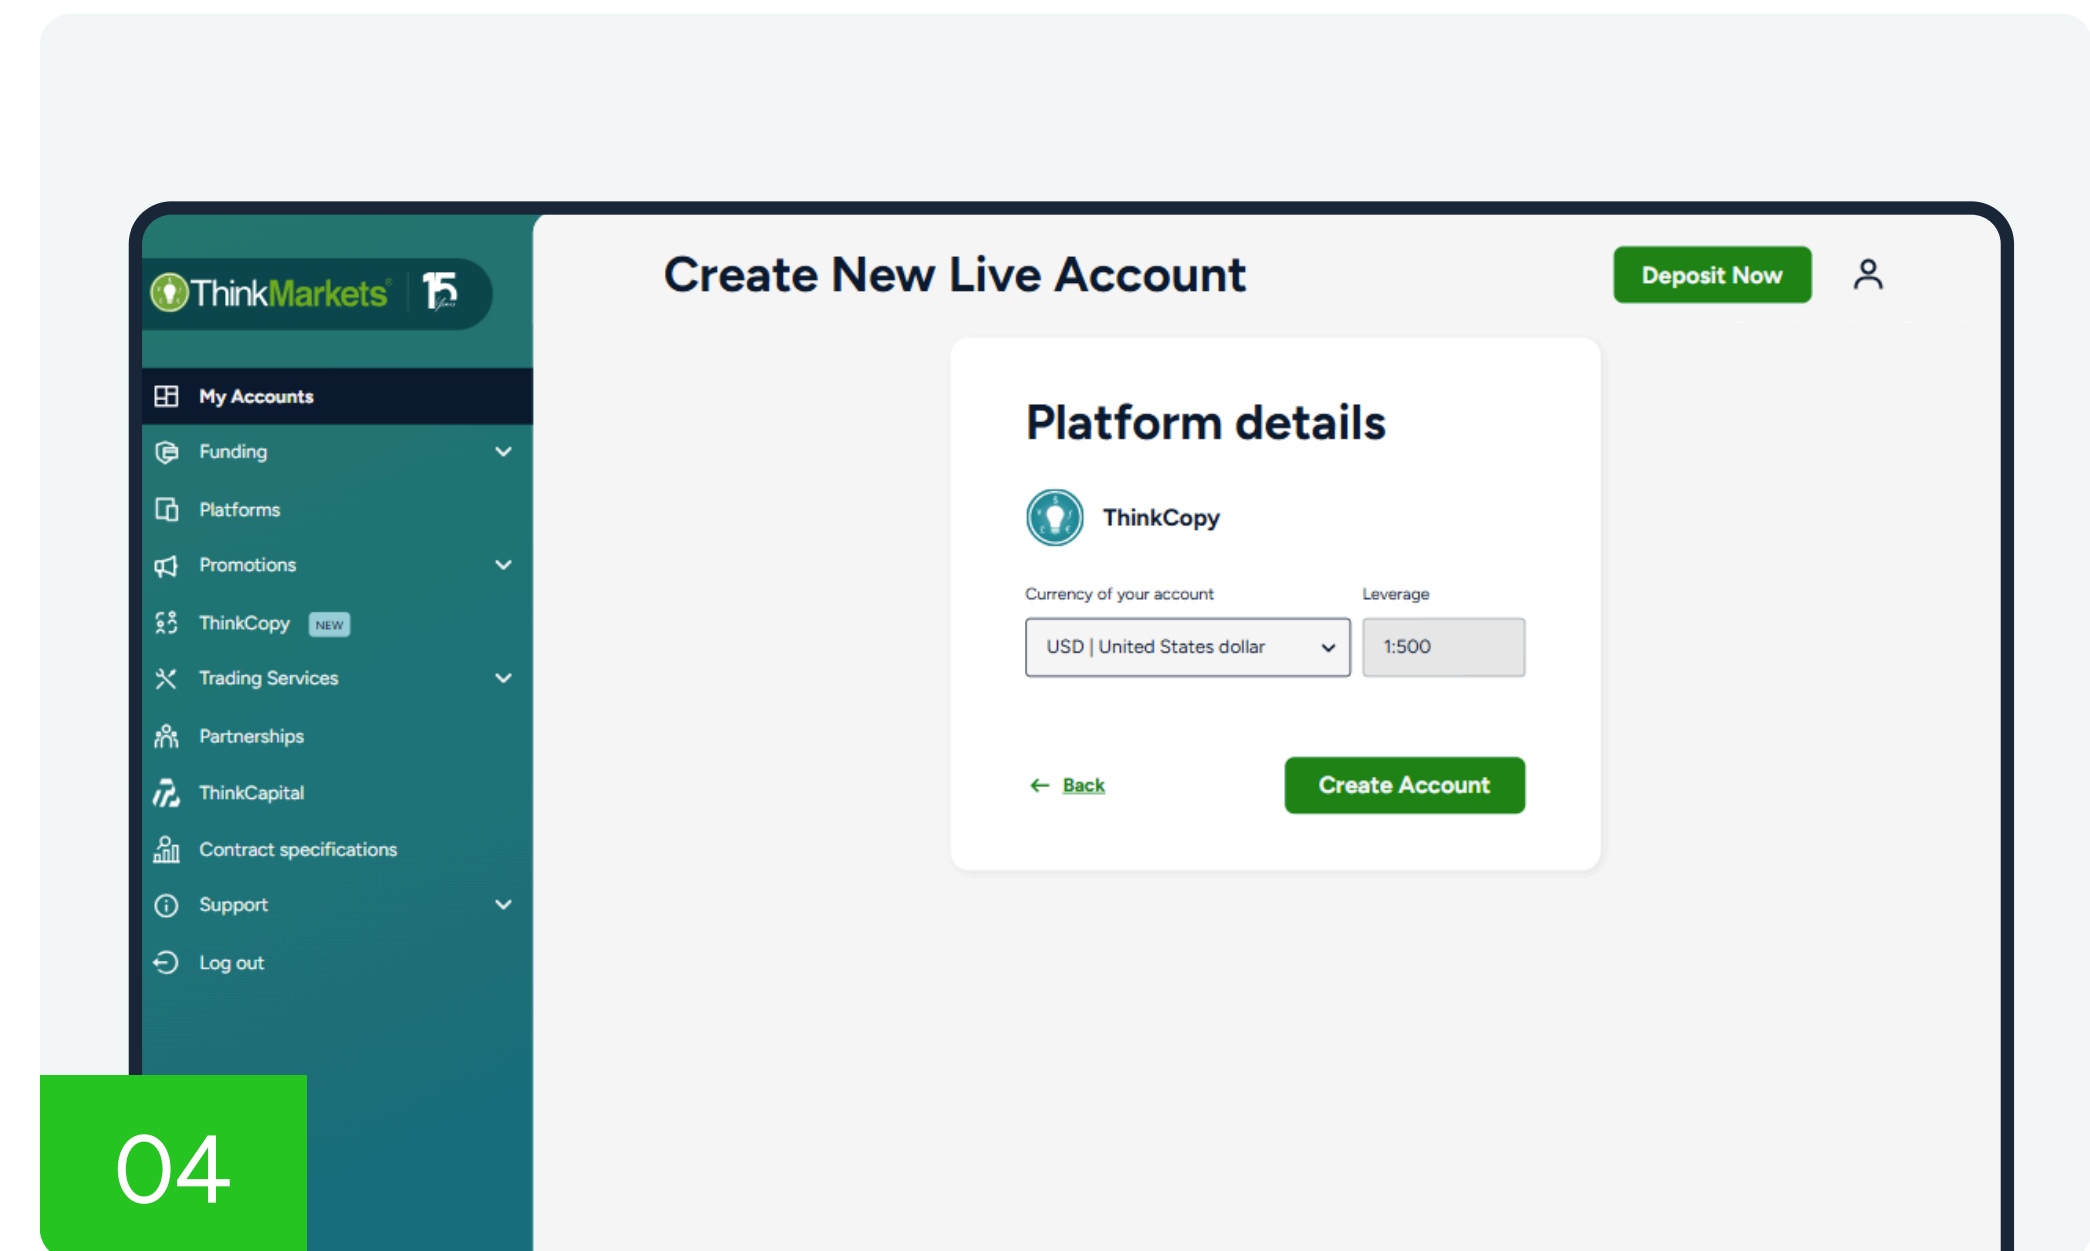

Cutting-edge platform
Access a next-generation copy trading platform directly from your web browser, designed for both beginners and experienced traders.

Risk Warning: Derivative products are leveraged products and can result in losses that exceed initial deposits. Please ensure you fully understand the risks and take care to manage your exposure and seek independent advice if necessary.

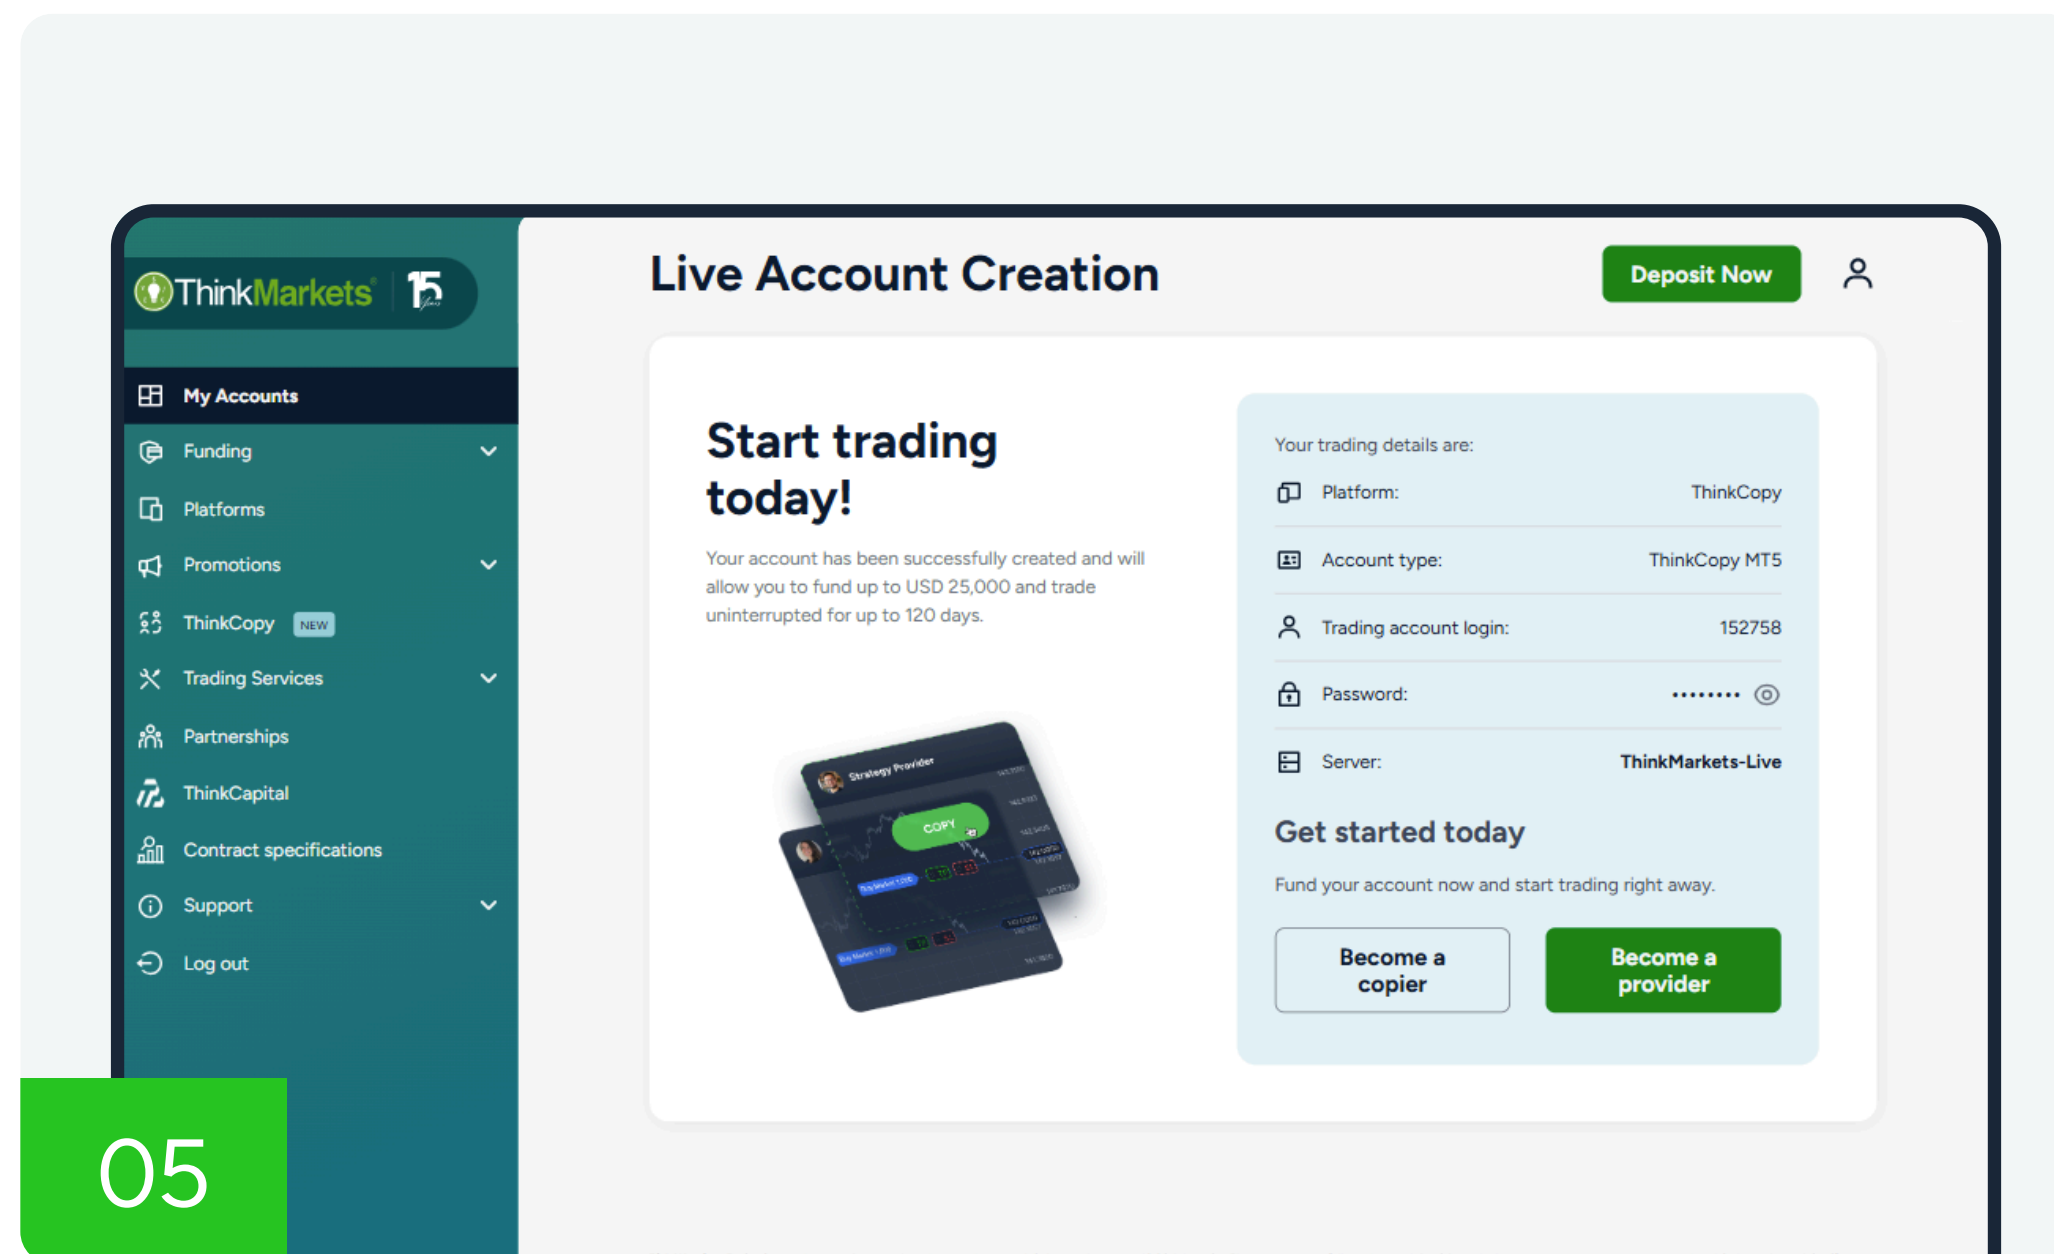

Once inside ThinkPortal, select 'ThinkCopy' from the menu.

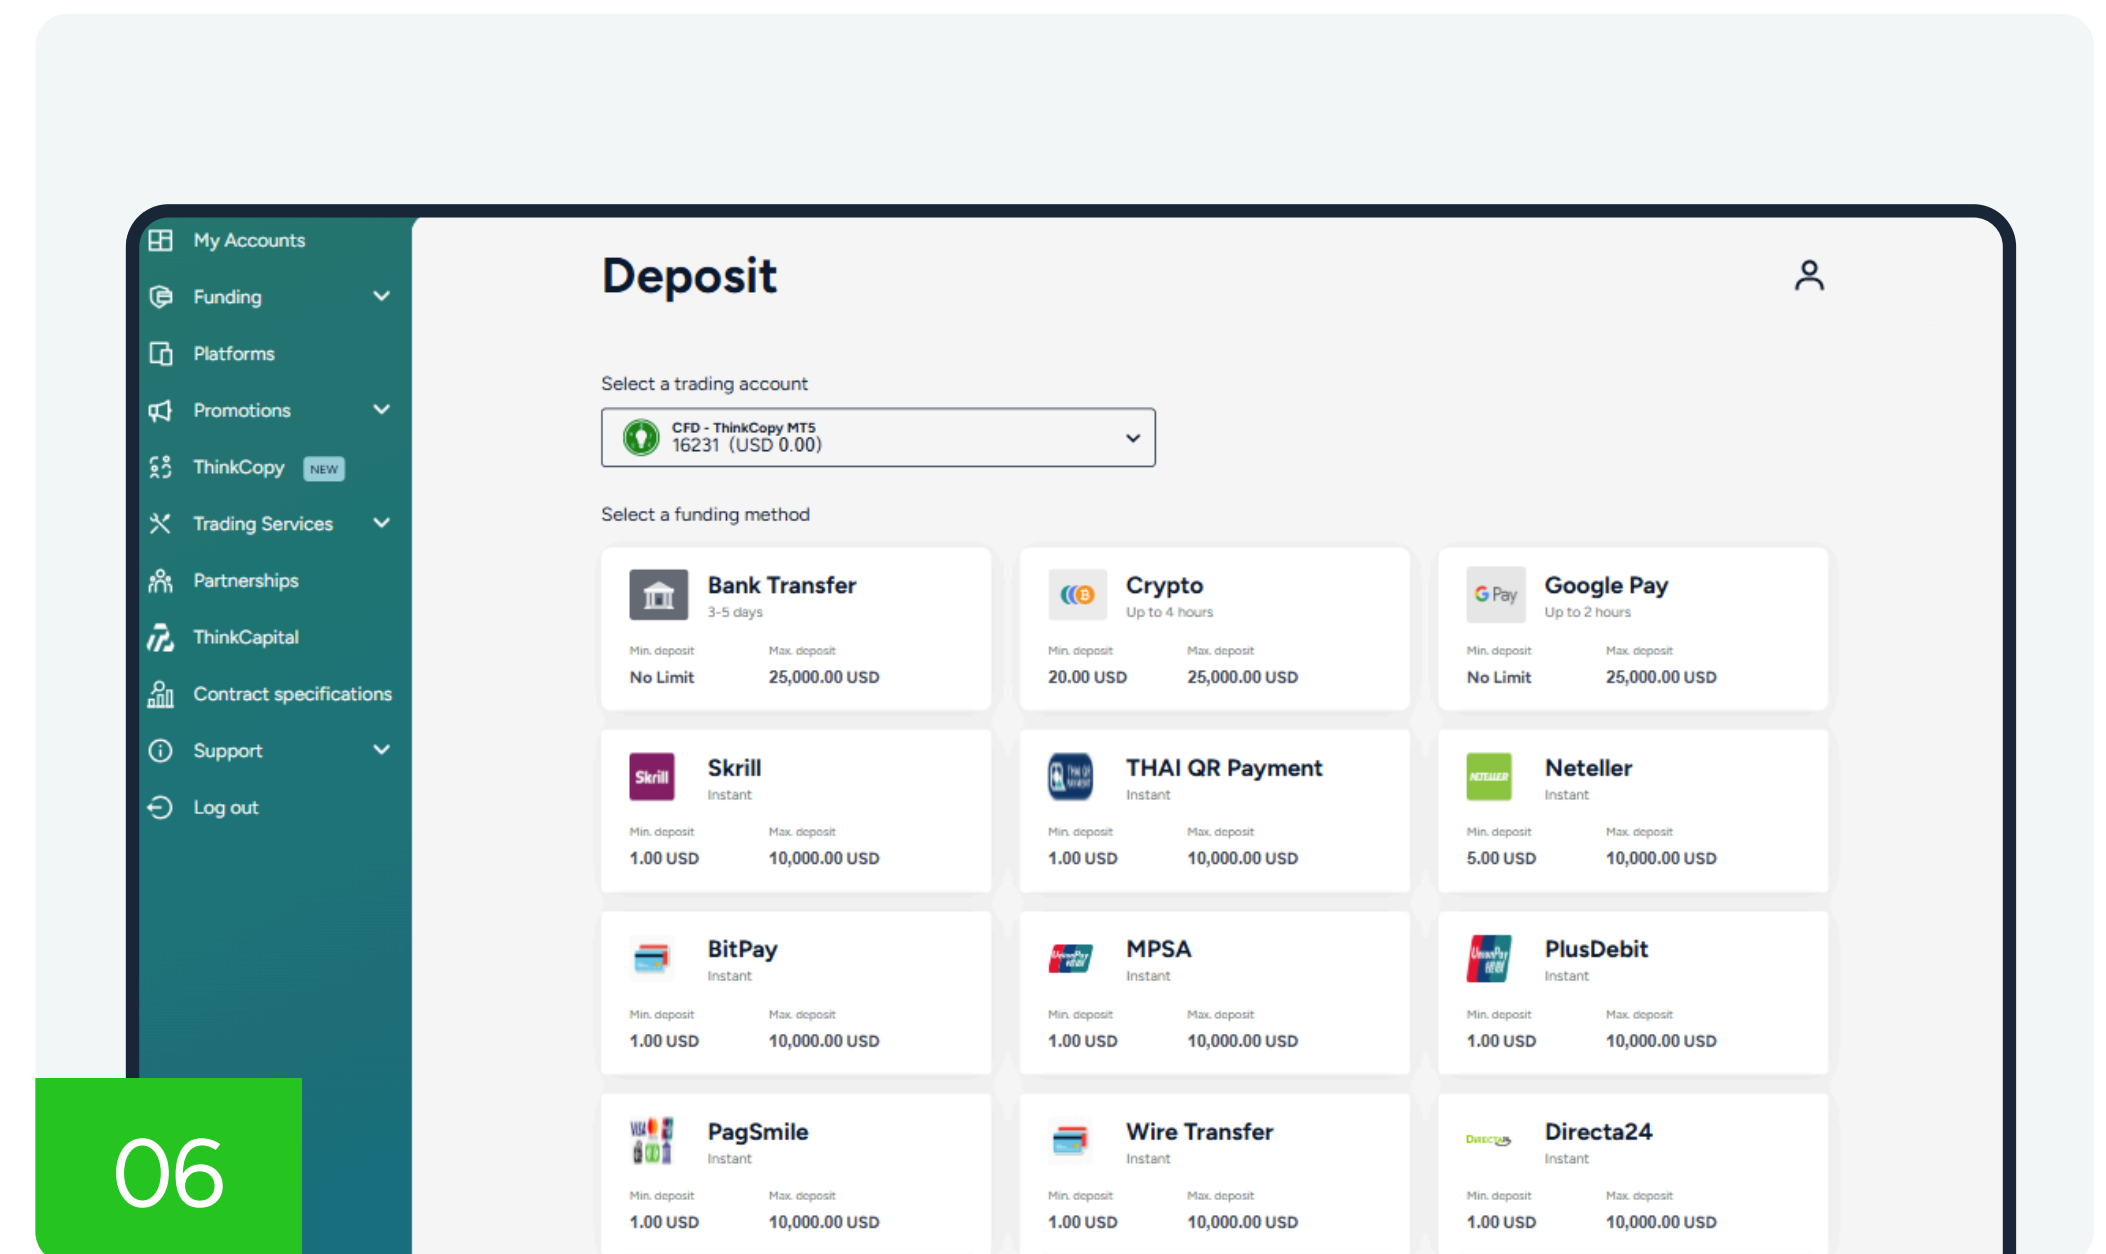

Click 'Create ThinkCopy account'

Fill in the required details.

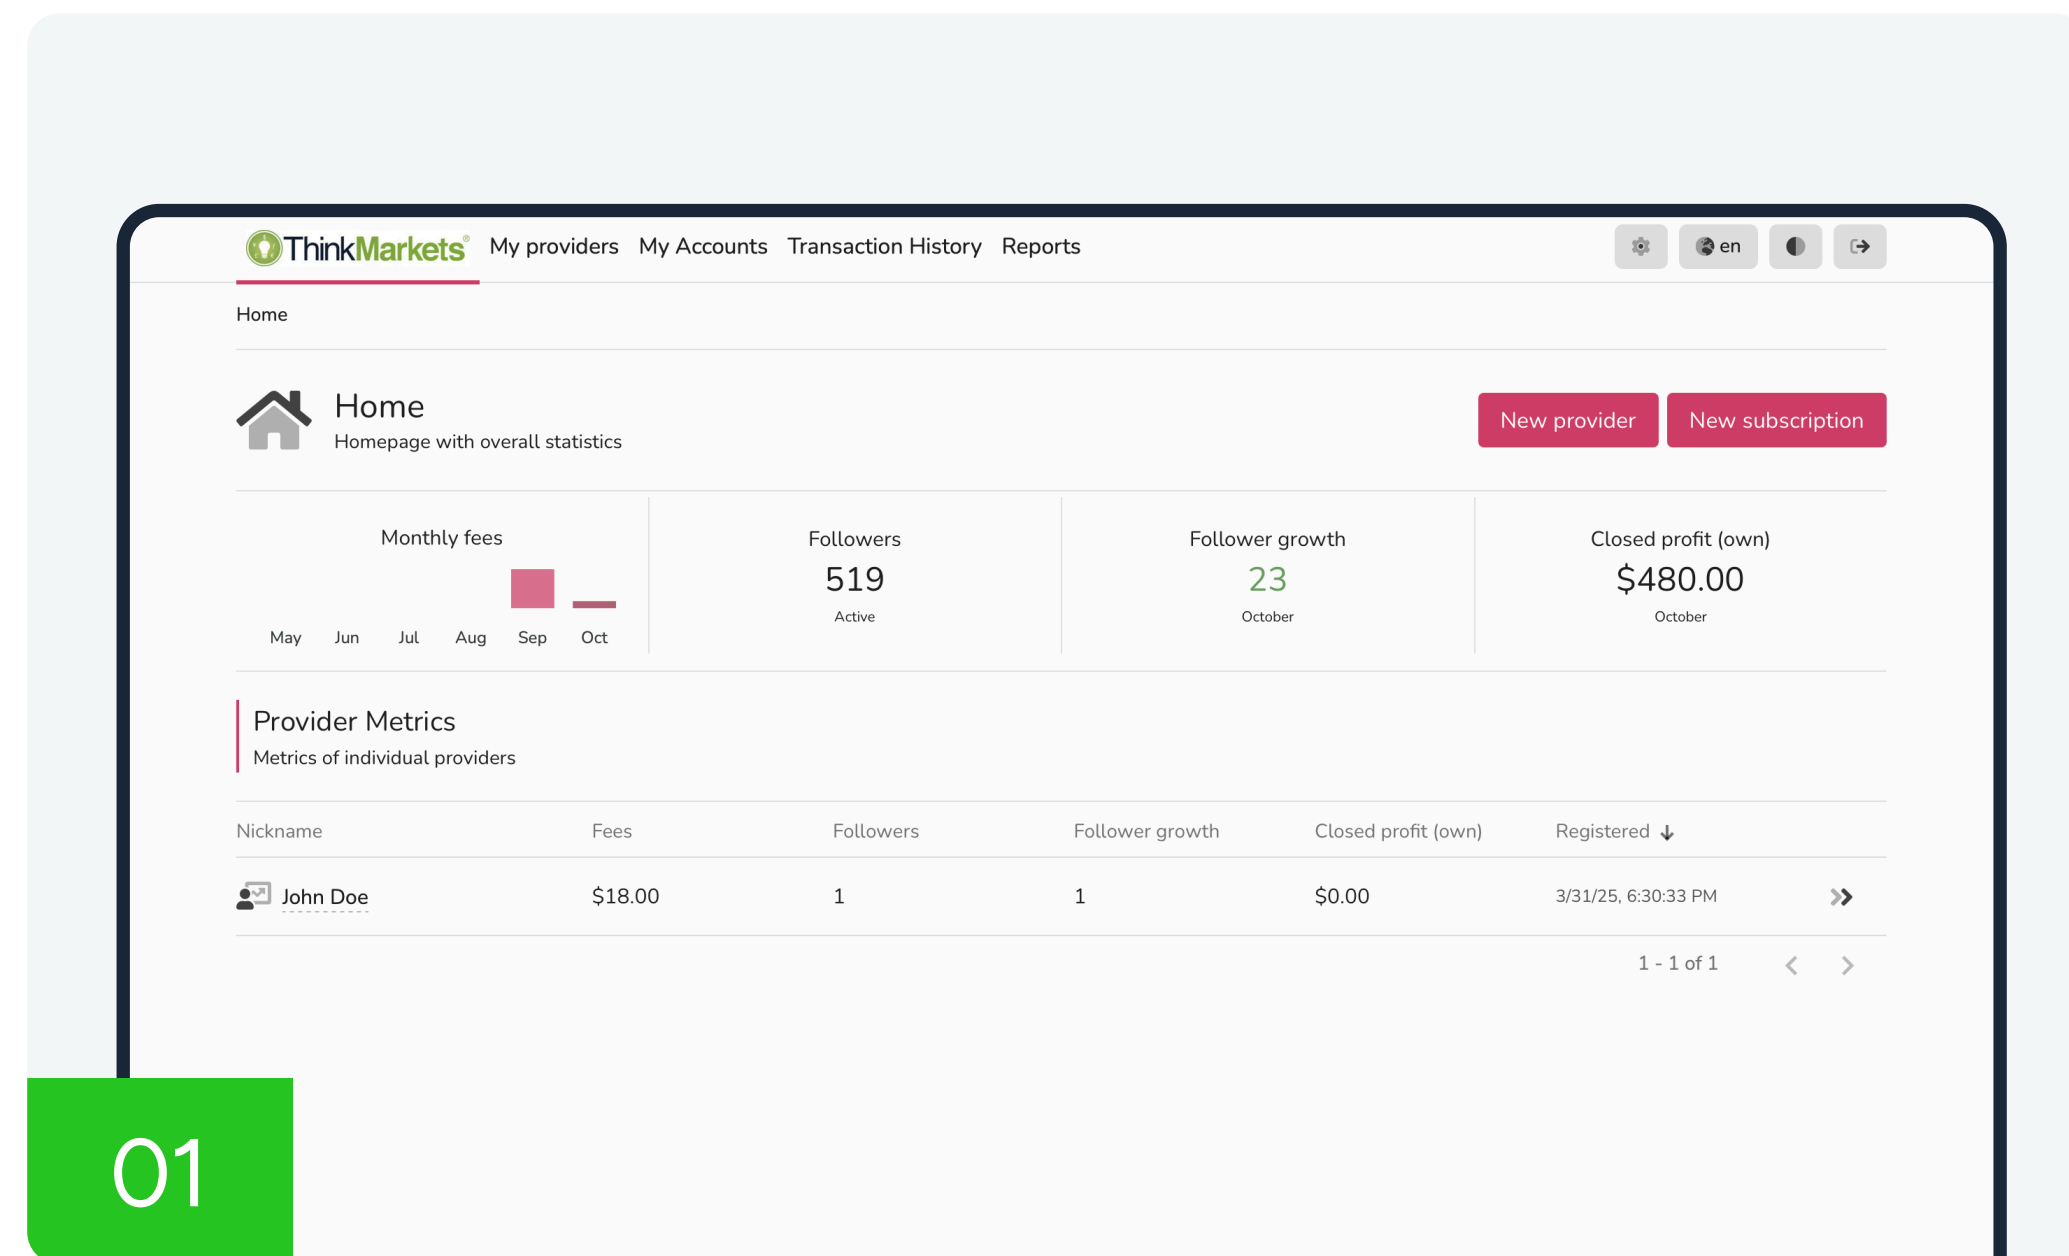

After creating your ThinkCopy account, click "Become a provider"

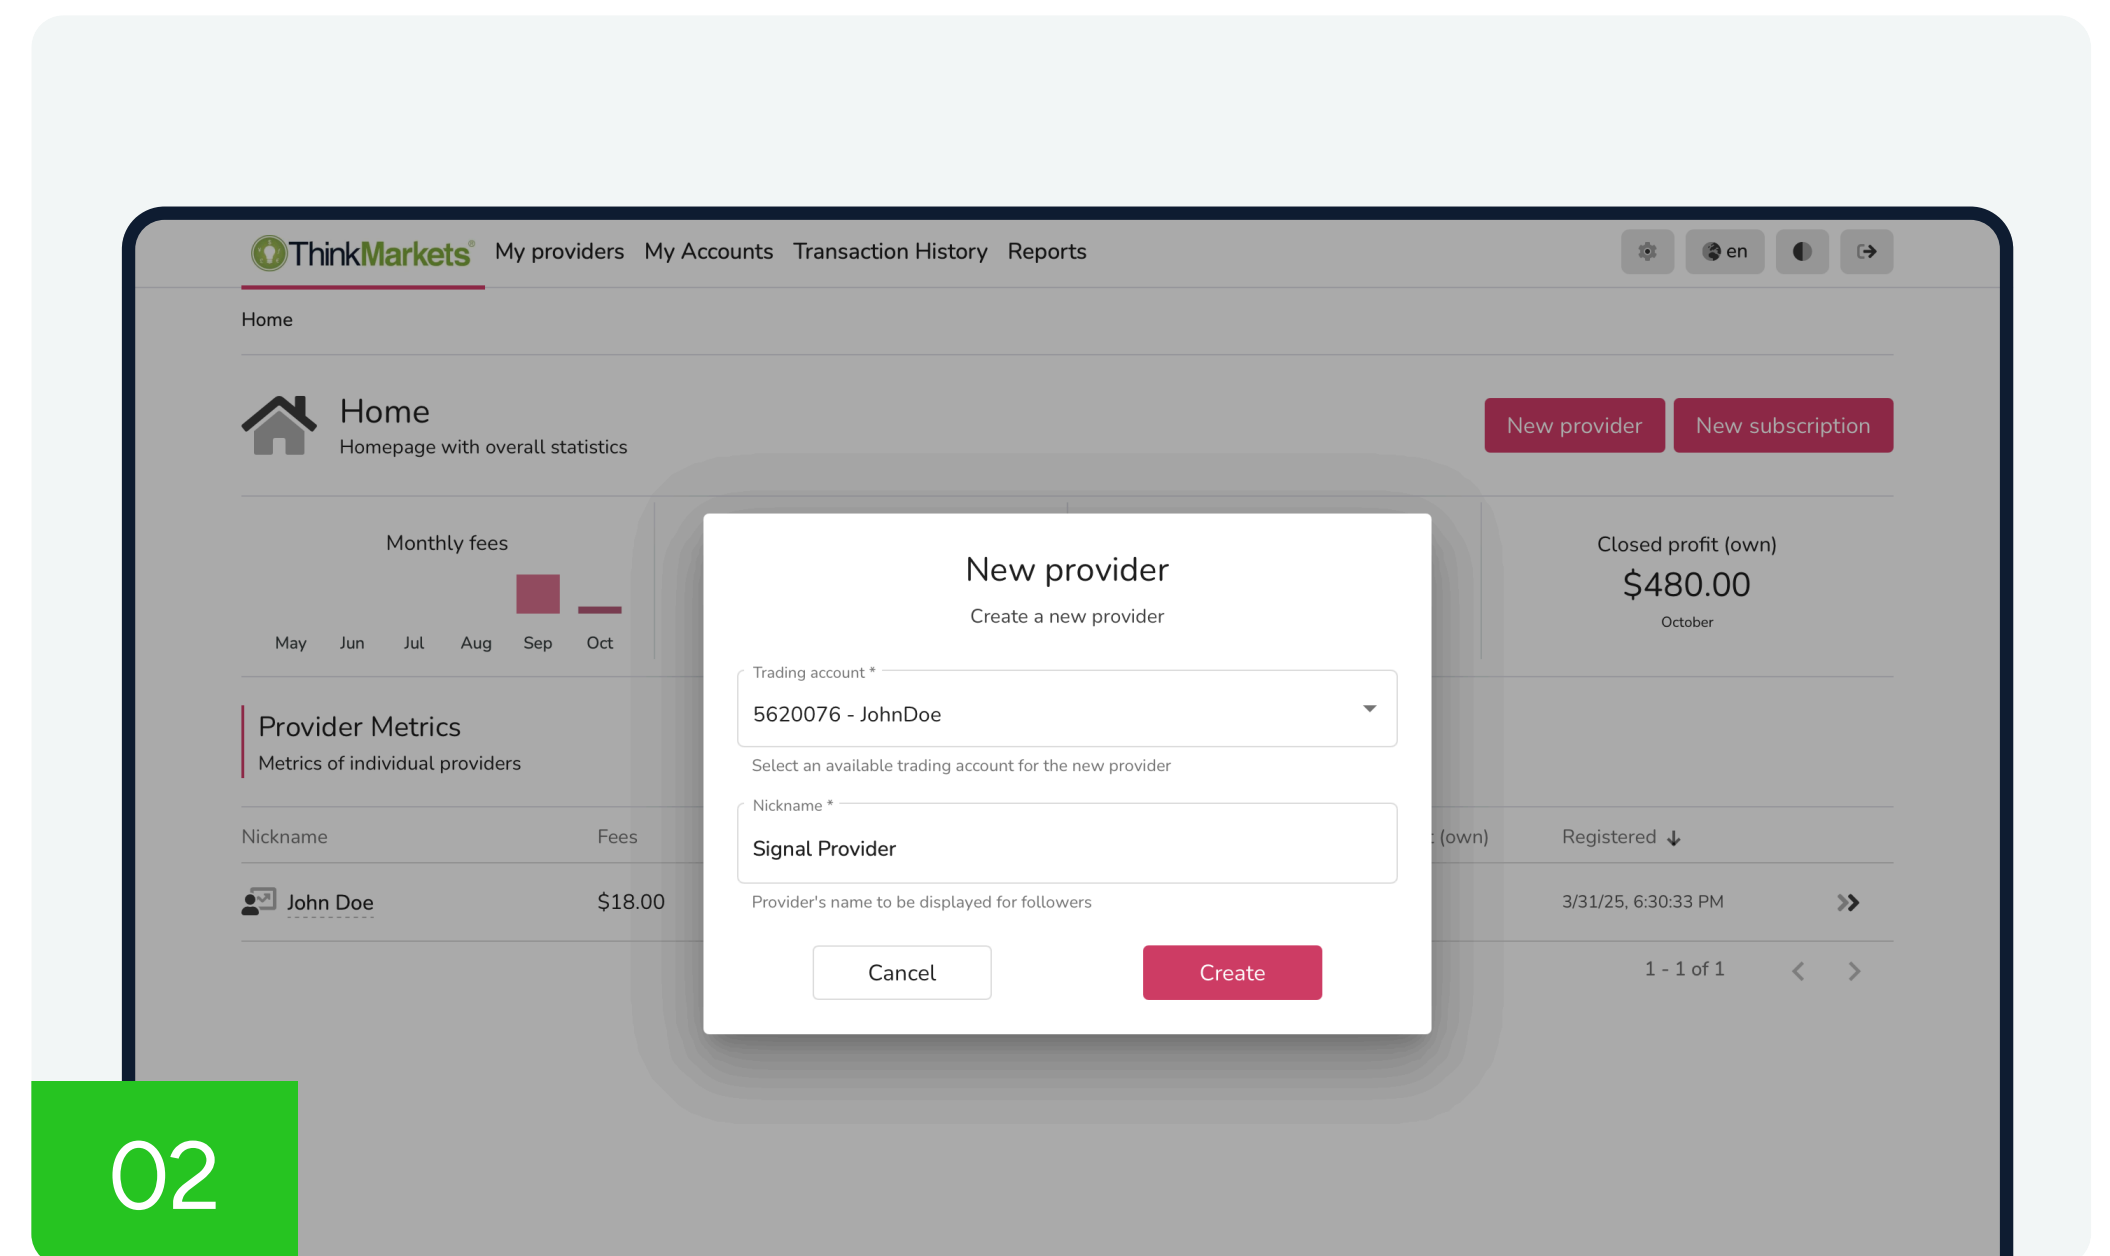

Fund your account with a minimum of \$500

How to setup a fee structure

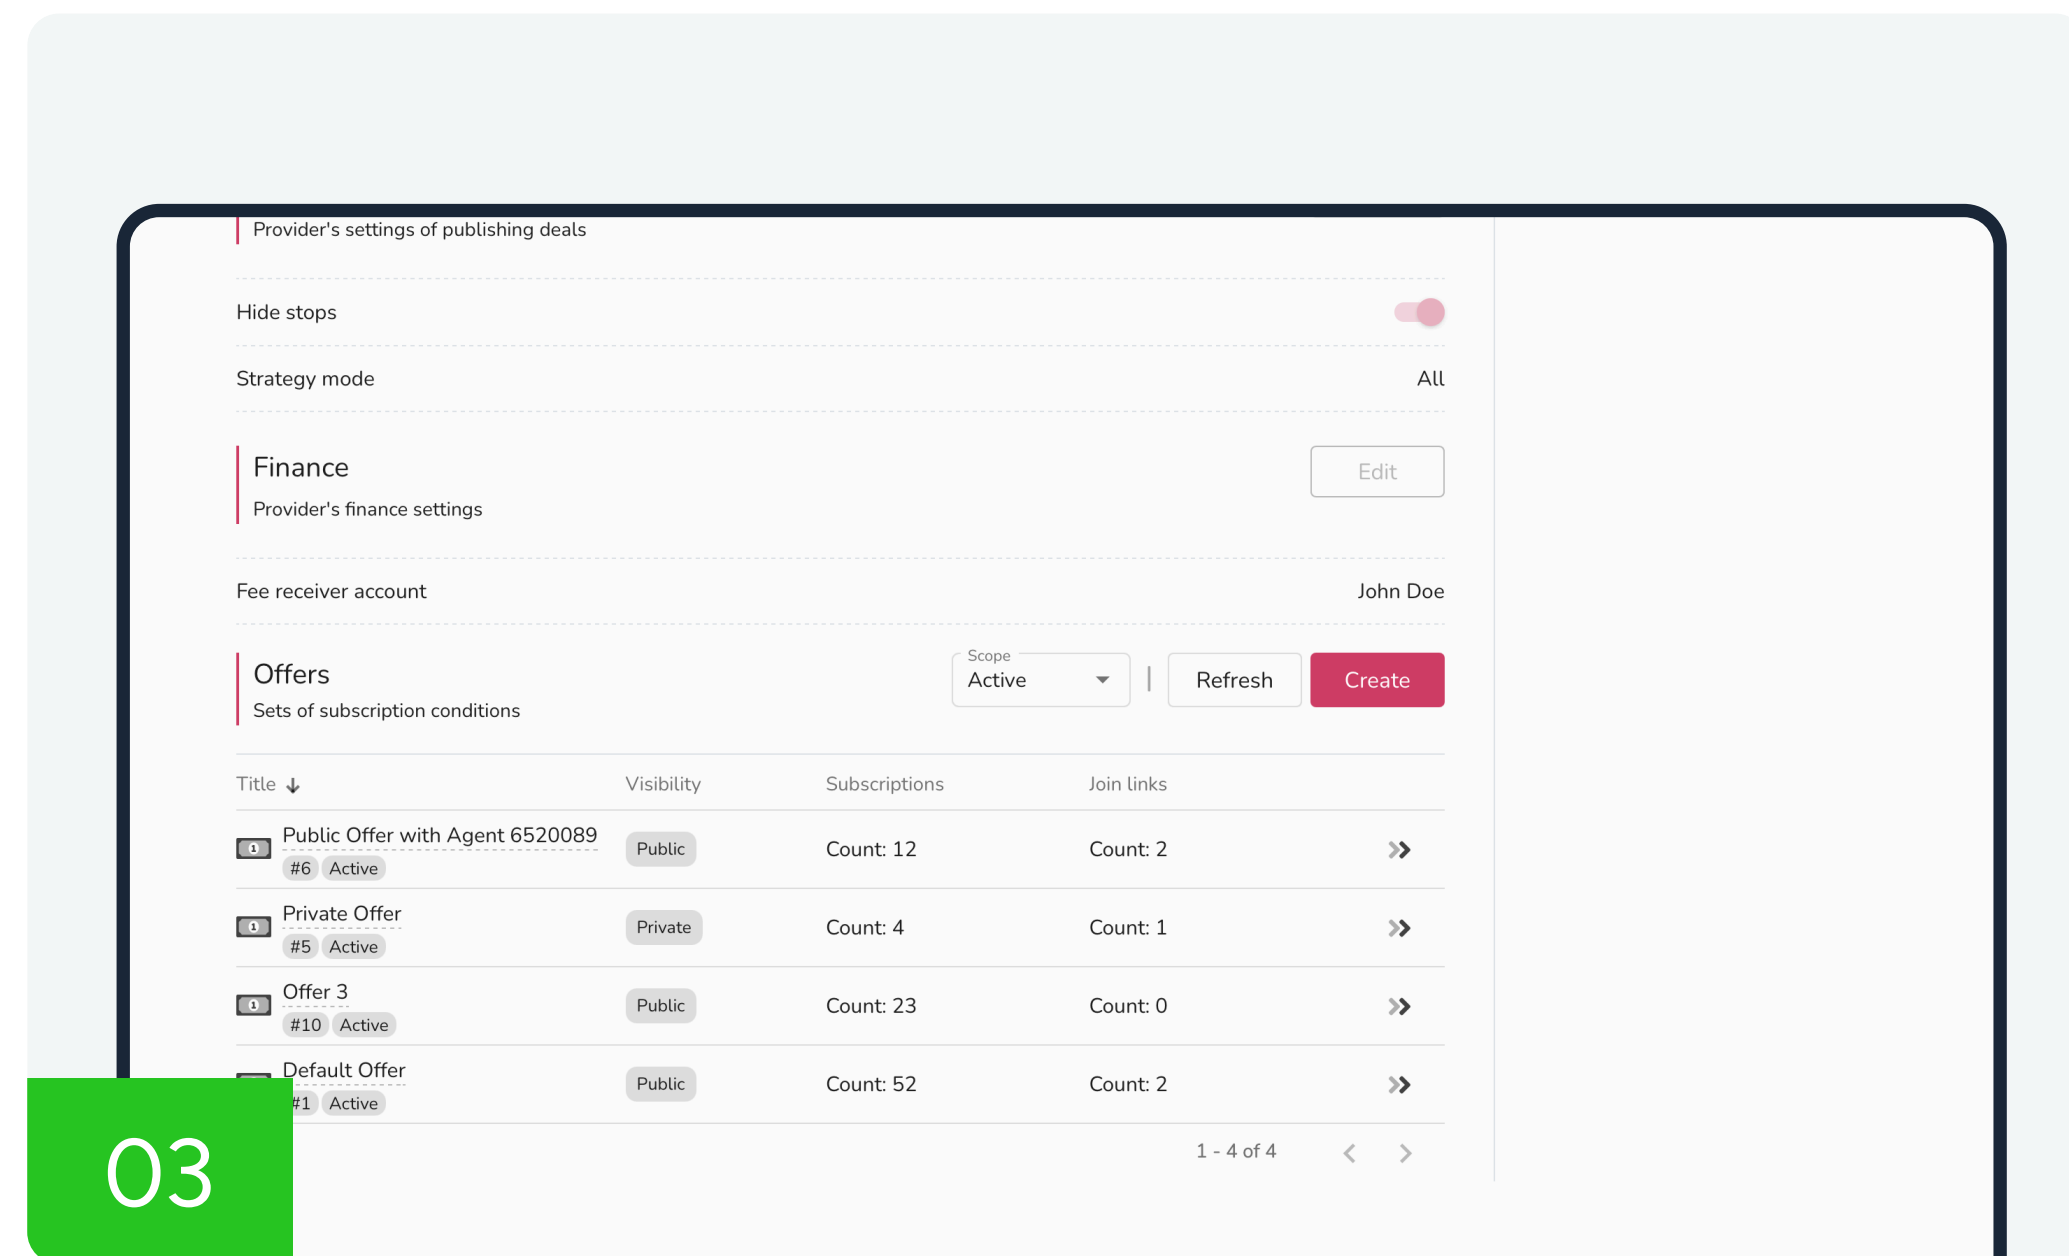

A performance fee charges a % on new profits each month (high watermark). It can be set to daily, weekly, or monthly.

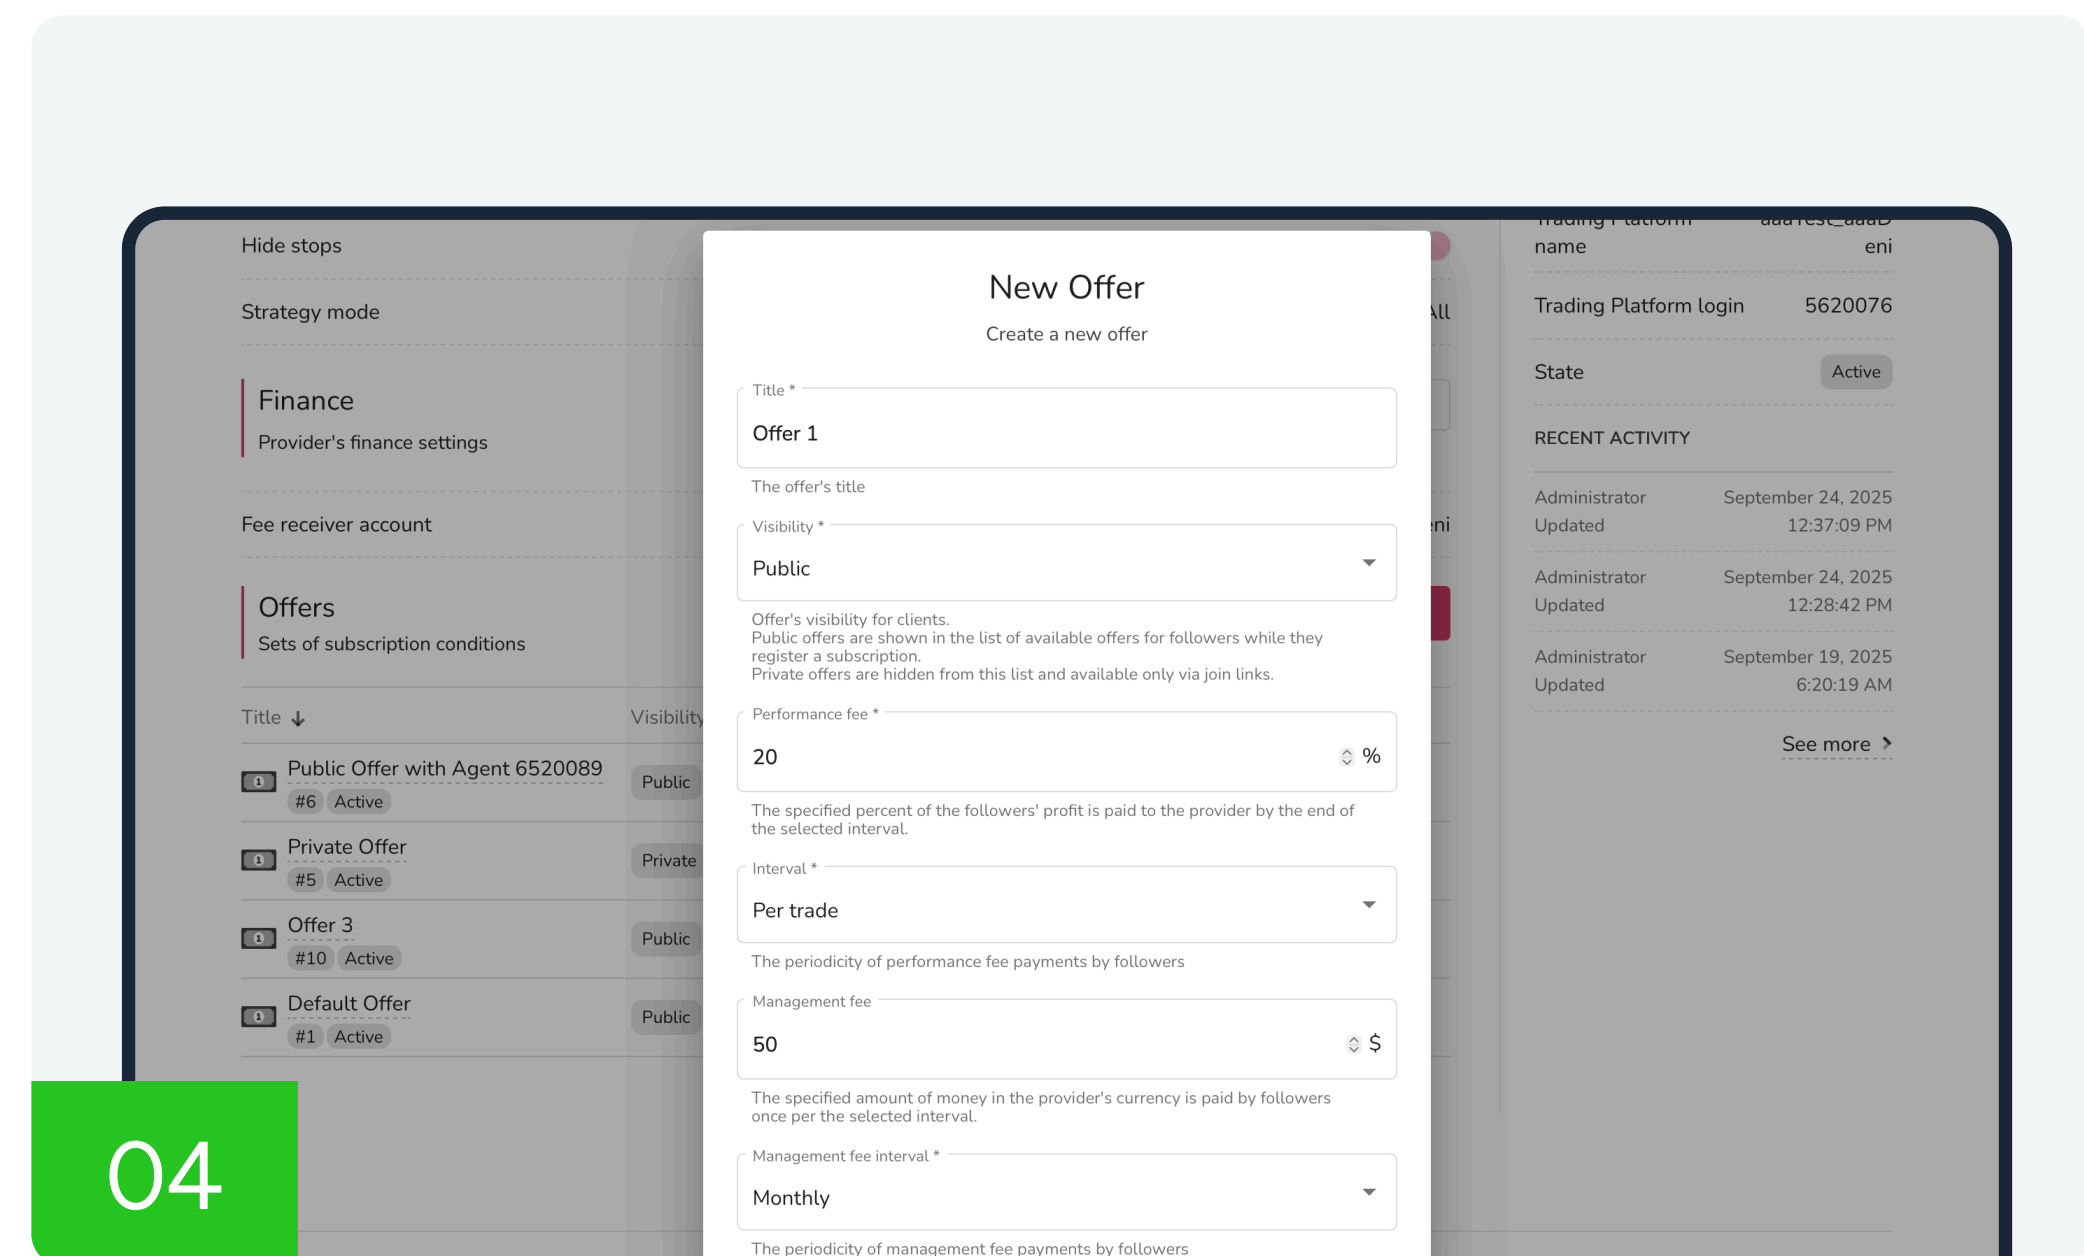

Once inside the portal dashboard, click 'New Provider'.

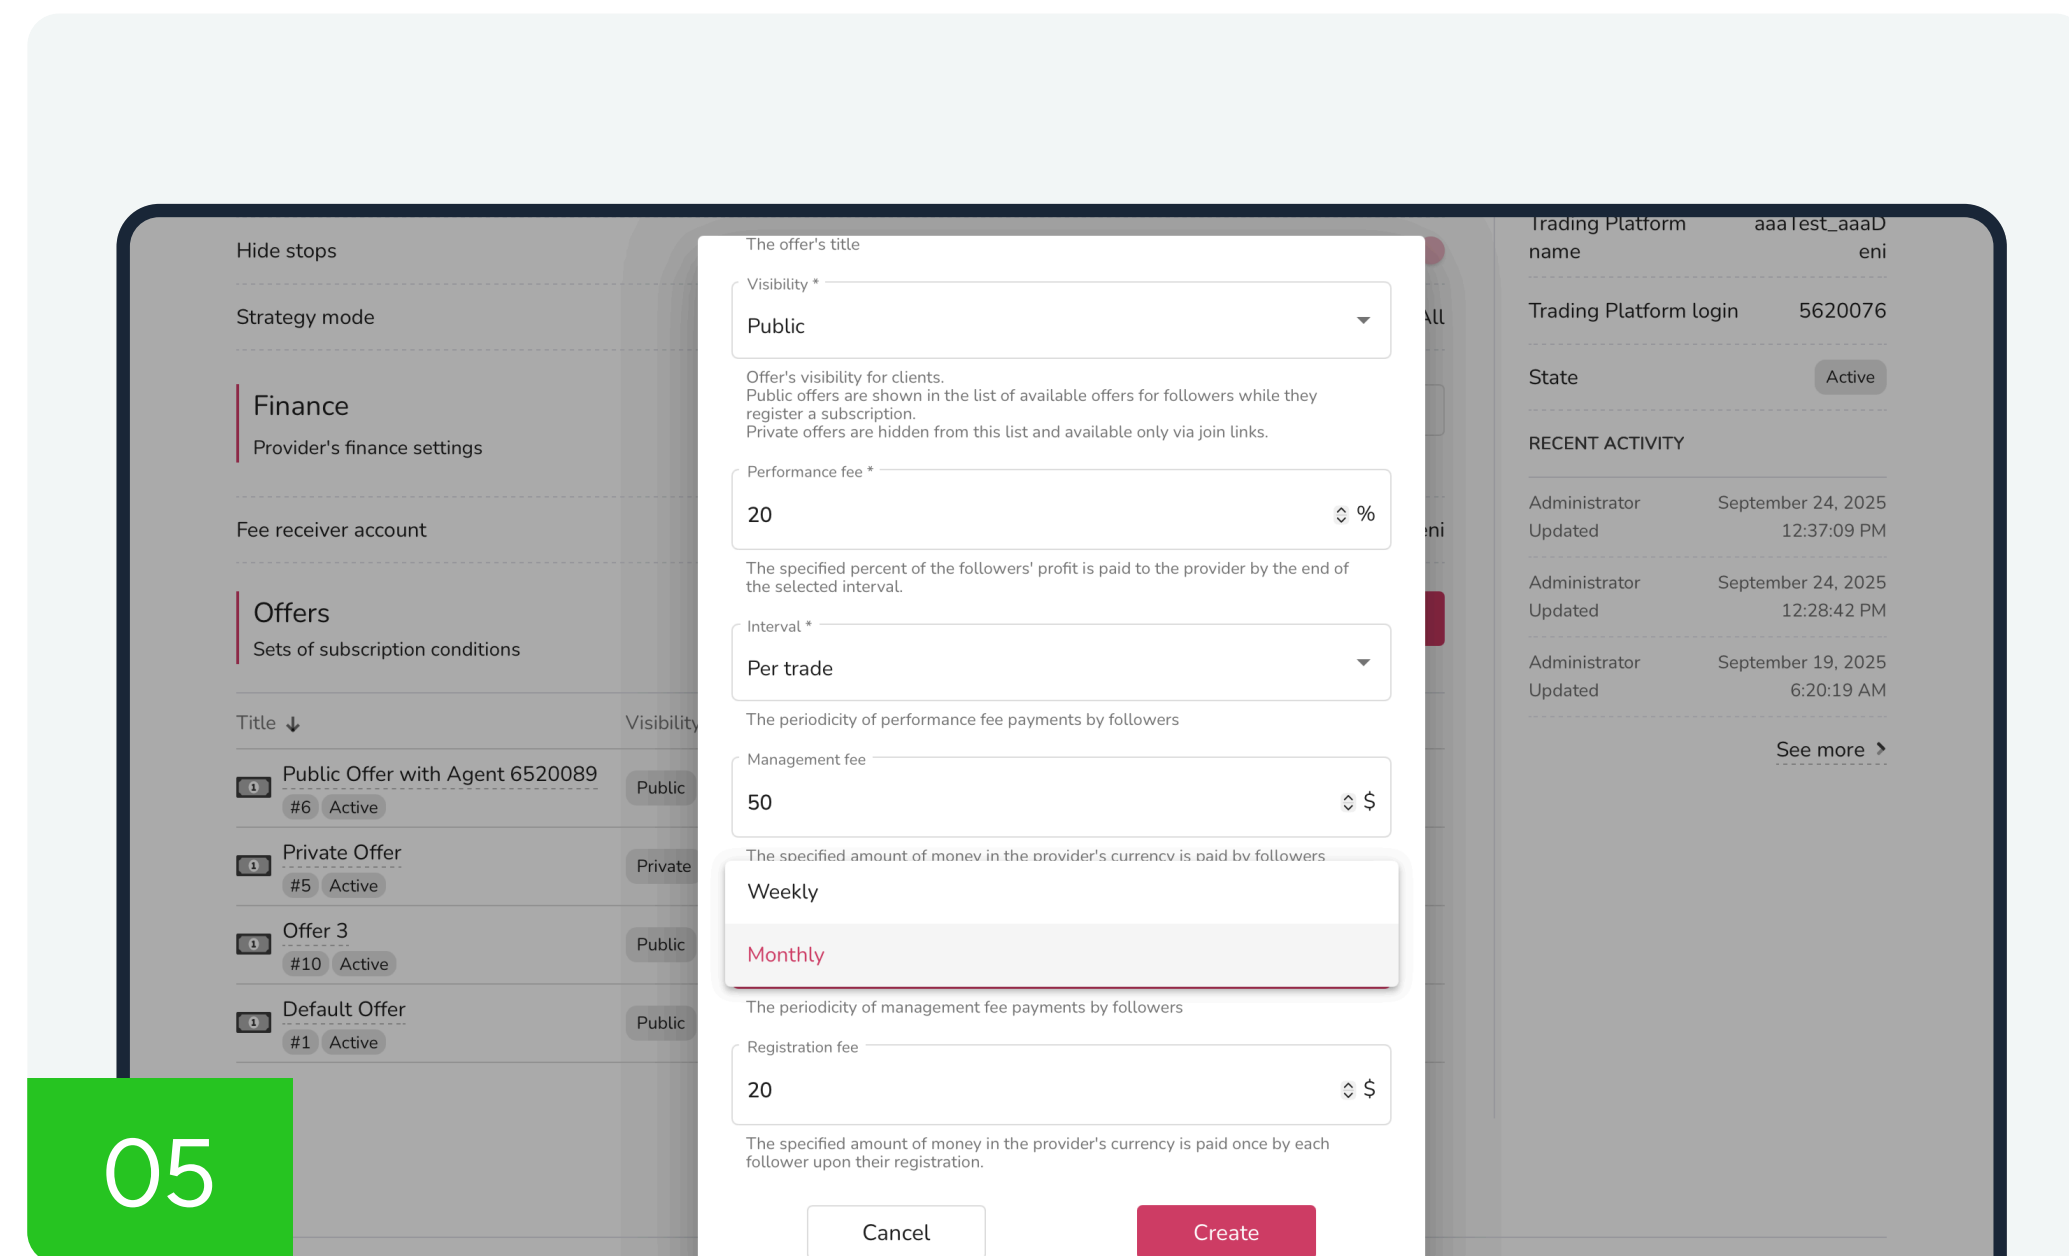

Choose your trading account and create a nickname to display to your followers.

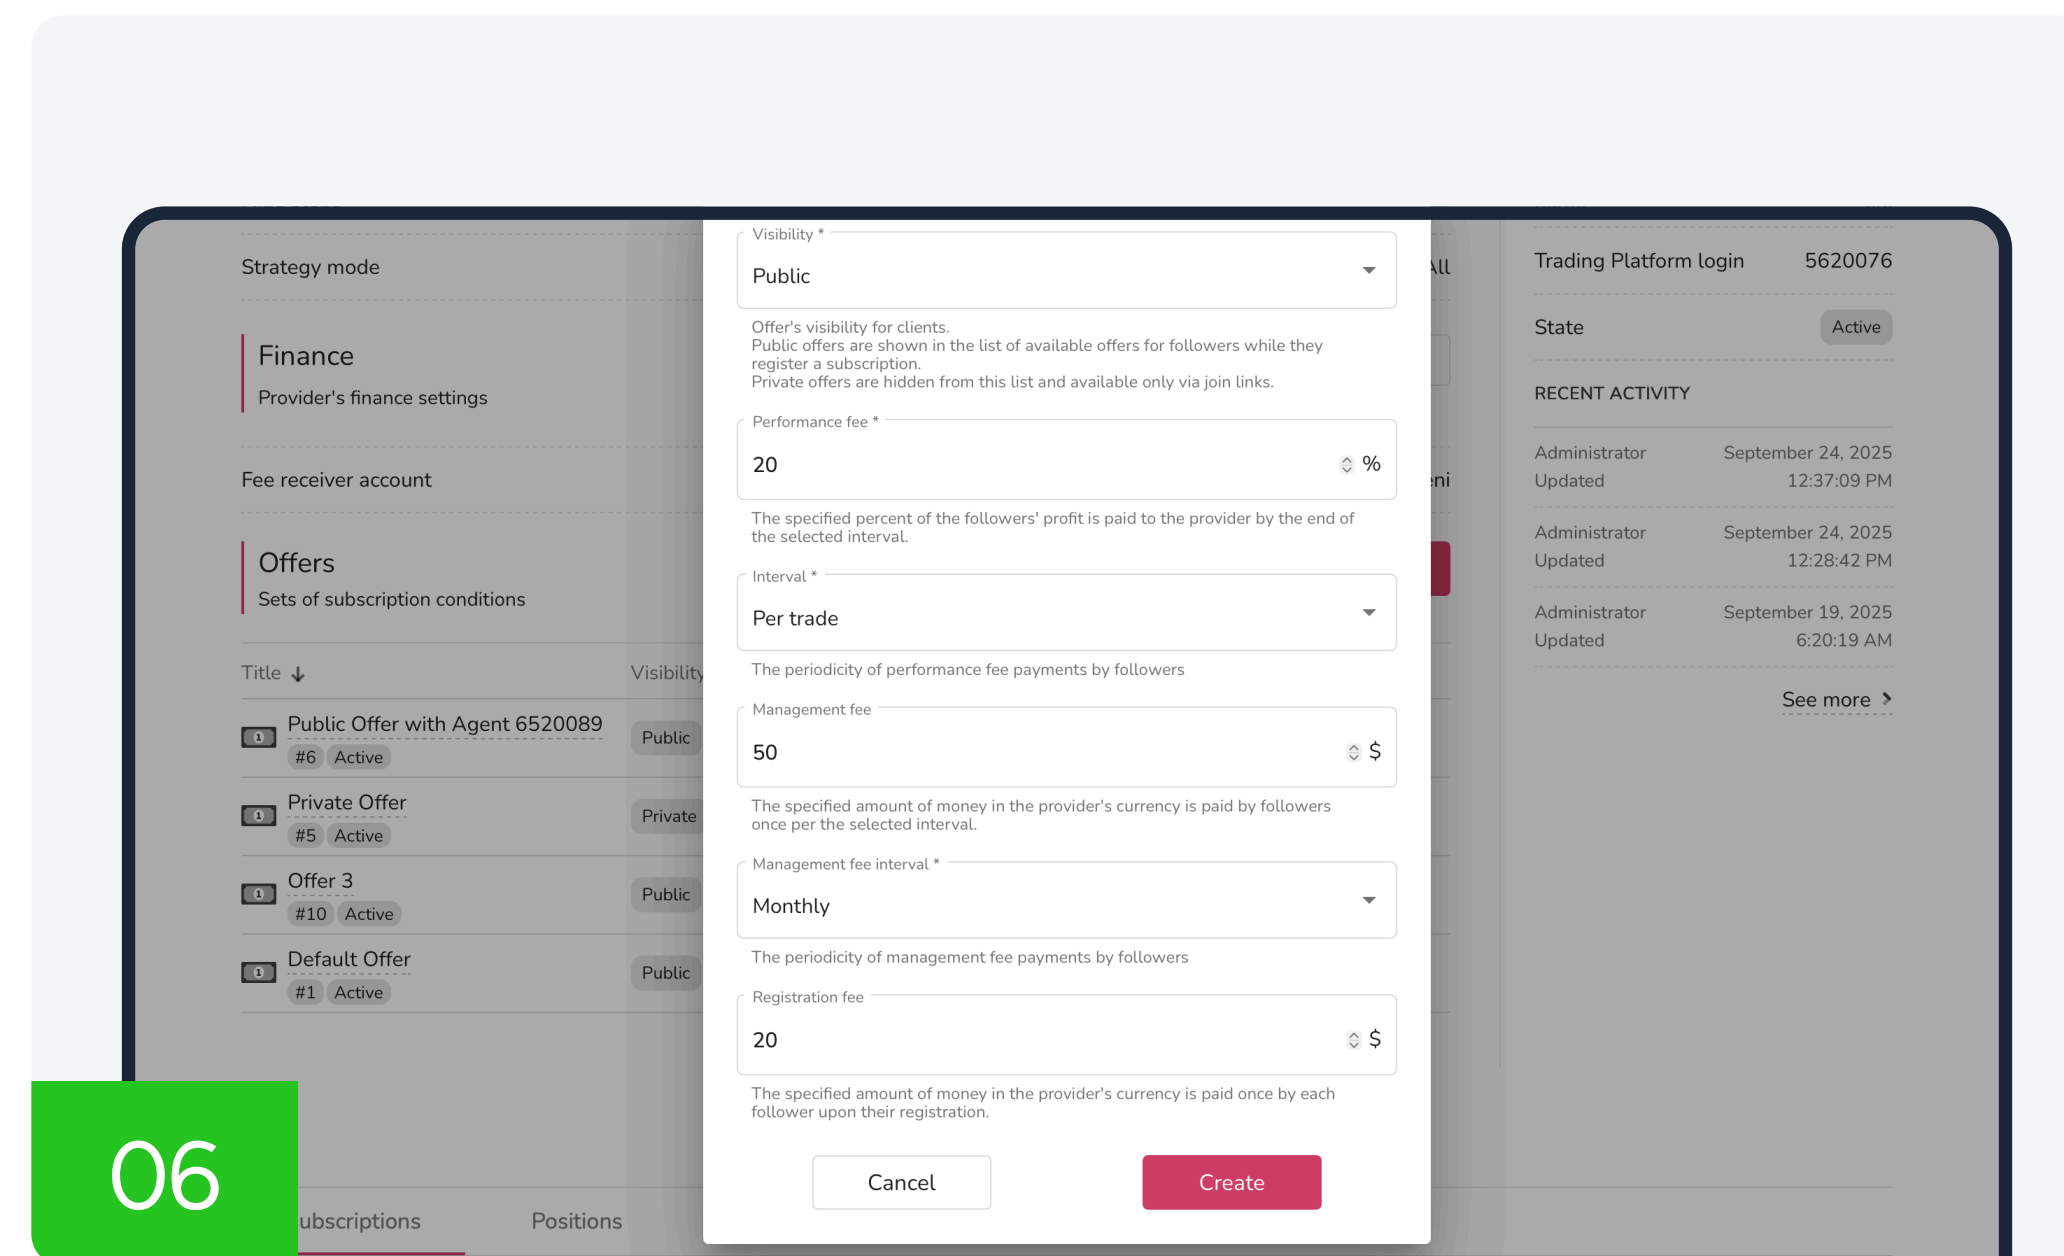

Go to your profile, navigate to the offers section, and click 'Create'.

Enter an offer title, set the visibility, and input the performance fee you wish to charge, up to 50%.

Choose the interval period for performance fee payments by followers.

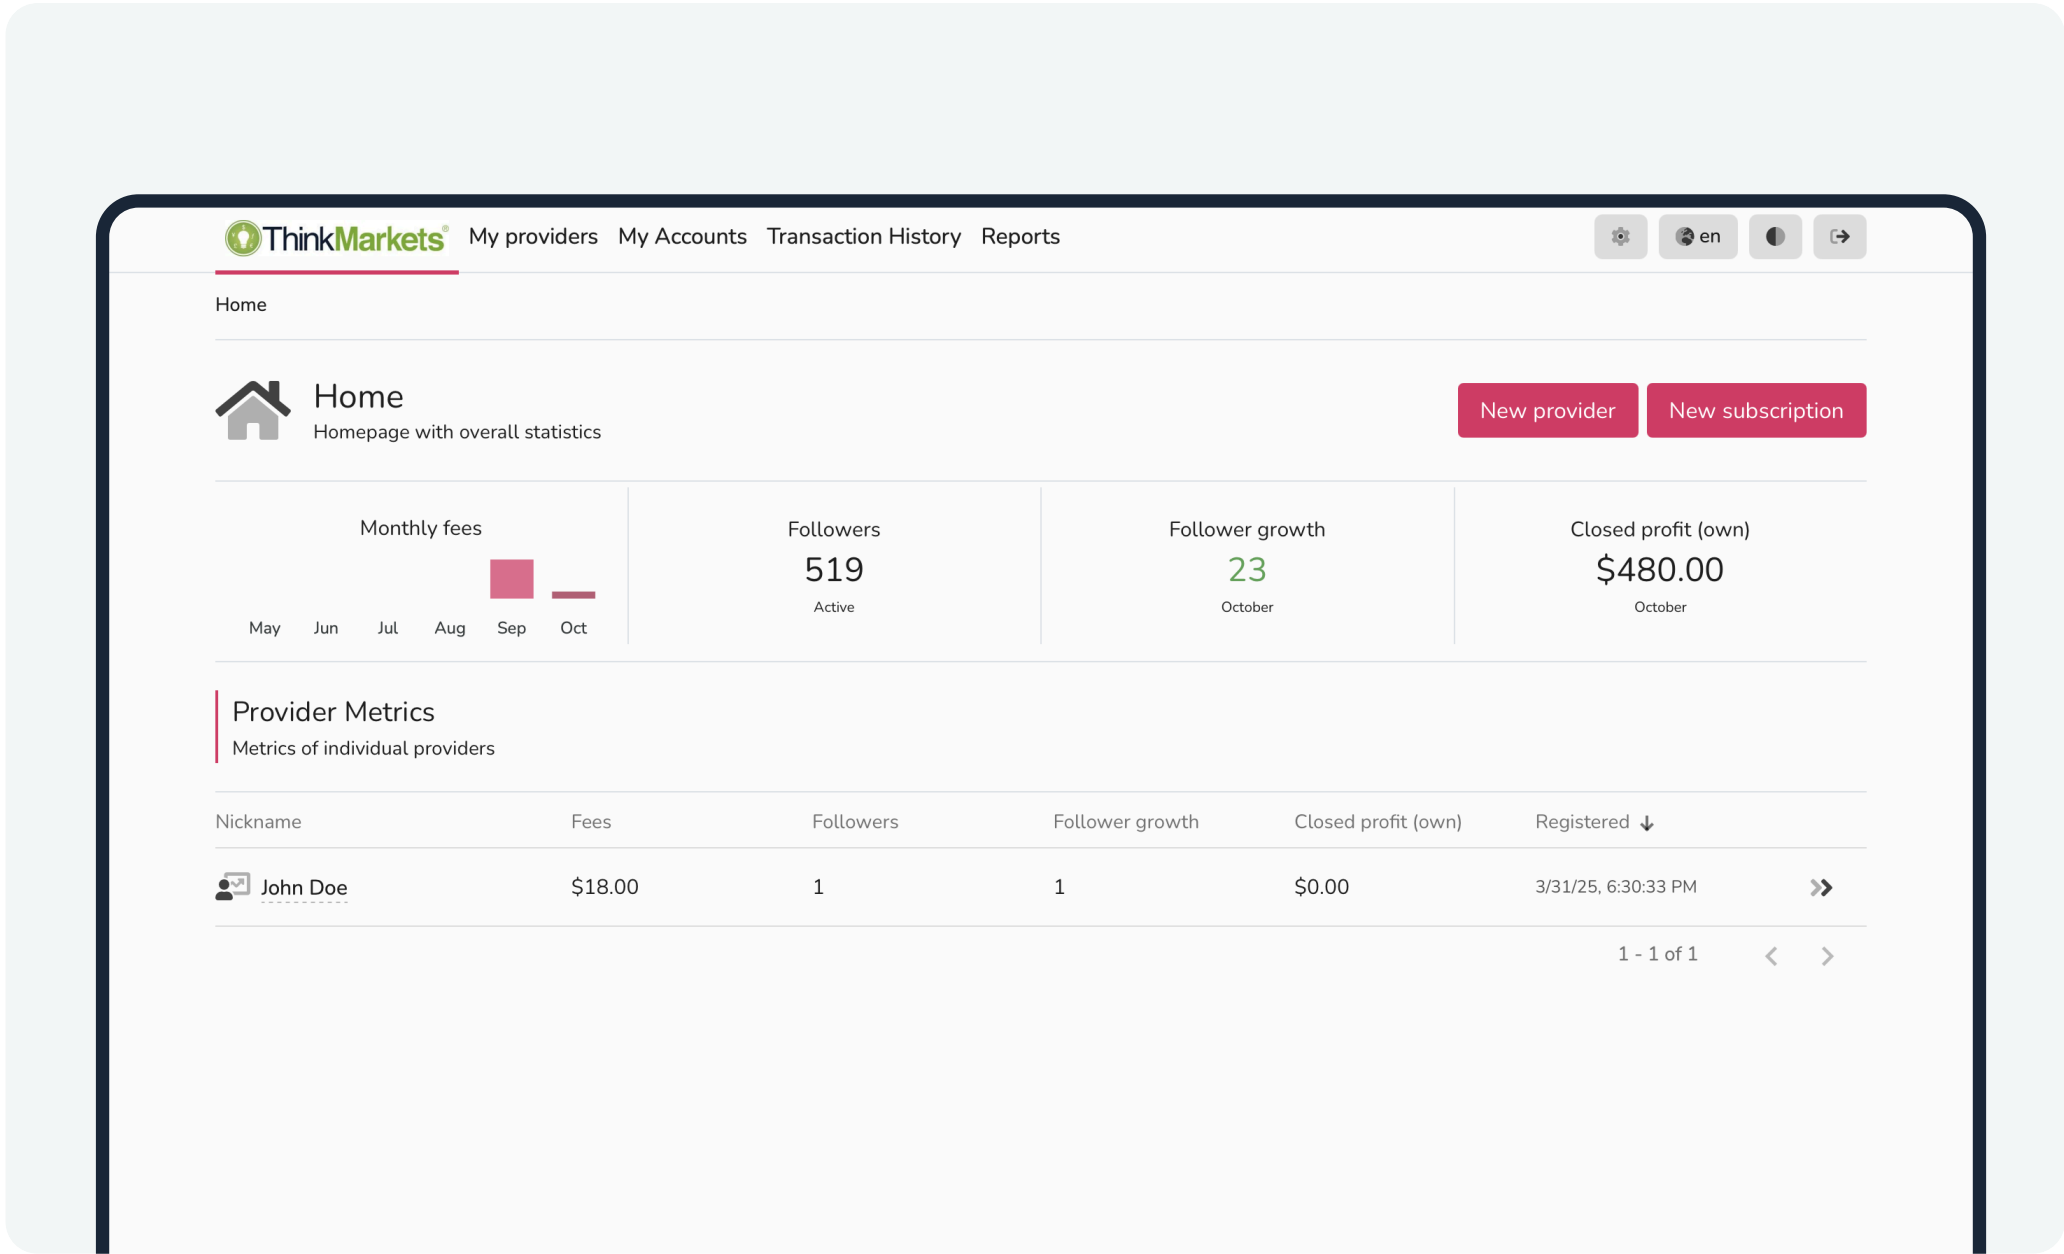

Click 'Create', and your fee is now set.

Viewing performance

At the top your profile, you can get a quick overview of your performance.

Here, you can see:

- The total monthly fees you have earned each month
- Your total number of followers
- Follower growth over a given month
- Your total closed profit over a given month

Viewing subscription insights

To see detailed insights into your subscription, go to the Subscriptions table at the bottom. Here, you can view each subscriber and filter to find specific ones.

- Navigate to Positions/Deals in the table to see each trade you've opened and closed, including instrument, profit/loss, volume, and more.
- Go to Fees in the table to check how much you've earned you've earned from each subscriber.
