Benefits of becoming a signal provider

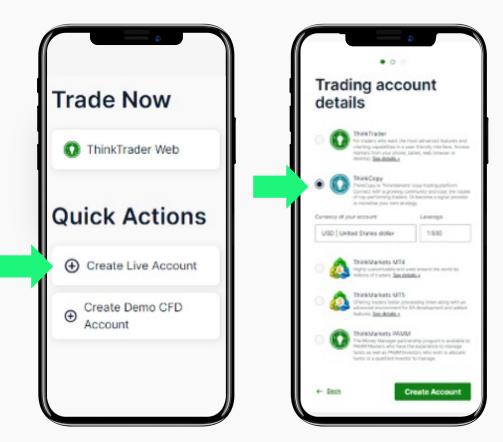

- Become a signal provider to earn on your trading.
- The better you trade and manage your risk, the higher you will be on the leaderboard and the more followers you will attract.
- You earn when you perform and may charge a performance fee on high watermark profits from 0 to 50%.
- You can manage your trading from MetaTrader or the **ThinkCopy** app.

How to become a signal provider

ThinkMarkets

- Create a new ThinkCopy account via portal.thinkmarkets.com (you can't use the same account to copy trade and provide signals).
- 2. Save the account number and password. You will also receive an email with the same details.
- 3. Fund the account.
- 4. Download the app via <u>iOS App</u> <u>Store</u> or <u>Google Play Store</u>.

Steps to login for existing ThinkMarkets clients

- Open ThinkCopy app and tap 'Link an account'.
- 2. Enter your **ThinkCopy** account number and password.
- 3. Choose '**Provide** signals'.
- 4. After making your selection, tap your account number.

Your Signal Provider account is now set.

How to setup a fee structure

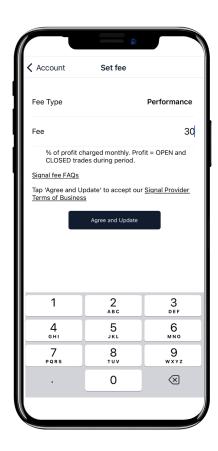

Think Markets[®]

A performance fee charges a % on new profits each month (*high watermark*).

How to setup a fee structure

- 1. Tap **'Account'** in the menu.
- Tap 'Set fee', type in the desired amount and tap the 'Agree and Update' button.
- 3. Your fee is now set. You can trade with your regular MetaTrader account or the **ThinkCopy** app to provide signals.
