DISCLAIMER

The information available on this web site is for your general guidance. Under no circumstances should the information on this site be construed as advice, an offer to sell, or a solicitation to buy any Forex, CFDs or other derivative or over the counter product. All investors should seek individual advice based on their unique situation before making any investment decision. The content on this site is subject to change without notice.

Our investment products and the information on this web site is not targeted at the general public of any particular country. It is not intended for distribution to residents in any country where such distribution or use would contravene any local law or regulatory requirement.

The services offered on this web site are only available following successful completion of our account opening requirements. You should ensure you understand the risks before contemplating an application.

You acknowledge and agree that, if you are accepted as client, you have no right to withdraw from the Terms and Conditions, as such right is not applicable, according to Distance Marketing of Consumer Financial Services Law 2004 (242(I)/2004), provided that you are considered as consumer.

You acknowledge and agree that any instruction given by you or on your behalf via our website is made at your own risk. You will be responsible for keeping your account number and password confidential and acknowledge that we shall be entitled to rely upon these details to identify you.

All copyright, trademarks and other intellectual property rights in the content of this website belong to us or our licensors. No information on this website may be reproduced, adapted, uploaded to a third party distributed or transmitted in any form by any process without our specific written consent.

From time to time, our website may contain links to other sites and/or resources provided by third parties. These links and/or resources are provided for your information only and we have no control over the contents of those materials.
