

### Fee Schedule

**Brokerage Fee**

**0,25%** with a minimum of **ZAR 30**.

### Mandatory/statutory charges:

**STRATE settlement costs**

**0.005787%** of the value traded, with a **minimum charge of ZAR 10.71 per contract note** on trades up to **ZAR 185 000**.  
**Maximum charge of ZAR 70.02** per contract note for trades exceeding **ZAR 1.21 million** (Excl. VAT).

**Investor Protection Levy**

**0.0002%** (Excl. VAT) of the value of shares traded.

**Securities Transfer Tax (STT)**

**0.25%** on the value of shares traded, but this is levied only on share purchases, not sales.  
ETF investments are exempt from STT.

Purchases and/or sales of a particular share, even if there are multiple orders or trades in the share, can attract separate fees per order. Orders completed over several days will be charged the minimum fee on each day the order traded, irrespective of the volume traded.

### Premium investment account

Do you hold more than ZAR 500 000 worth of equities, or plan to trade with more than ZAR 500,000 a month?

You are eligible for a premium investment account, which will give you direct access to a personal account manager, who will give you expert guidance, exclusive pricing, and priority access to ThinkMarkets seminars, workshops and networking events.
