If the contract is held until expiration, the contract will represent a difference between the value of an Instrument as specified on the Trading Platform at the time of opening a Transaction and a calculated settlement value that is based on the relationship of the strike price to the price of the underlying asset. You acknowledge and agree that you are not entitled to ownership of the underlying asset of such a contract, e.g. the actual Shares or the rights offered in a rights issue event or the shares offered in an Options contract.
- 7.16. If an Option CFD becomes subject to a corporate event such as a possible stocksplit/reverse stock-split adjustment as a result of a stock-split/reverse stock-split adjustment on the underlying Option CFD share, we will close any open positions on the instrument prior to that corporate event. We will endeavour whenever possible to notify you beforehand of such an event, however, this cannot be guaranteed.

- 8.4. The Client is obliged to provide ThinkMarkets with e-mail address for the purposes of this clause. It is the Client's responsibility to inform the Company of any change to his email address (or any other relevant personal information), the non-receipt of a Confirmation, or whether any Confirmations are incorrect before settlement.
- 8.5. If the Client has a reason to believe that the Confirmation is inconsistent or if the Client does not receive any Confirmation (though the Transaction was made), the Client shall contact the Company. You will pay, or transfer, Margin within the minimum period specified by us (which may be within the same Business Day).
- 9.4. Margin in relation to a particular type of Transaction will be provided by deposited funds.
- 9.5. We will close your Transactions at the prevailing market rate at the time when your Transactions are closed. The Liquidation Level is designed to help limit the extent of your trading losses. ThinkMarkets does not however guarantee that your open positions will be closed when the

Margin for your Account reaches the Liquidation Level. Your losses will however be limited to the amount of funds you have deposited in your Account.

- 9.7. All Margin and other payments due by you to us pursuant to this Agreement shall be made in freely transferable funds in such currency and to such bank account(s) as we specify. If you are by law required to make any deduction or withholding in respect of taxes or otherwise, then you will be liable to pay such amount to us as will result in our receiving a net amount equal to the full amount which would have been received had no such deduction or withholding been required.
- 9.8. Any sums due to us from you pursuant to this Agreement (plus any applicable VAT) may be deducted without prior notice to you from any Assets and we may have recourse against and sell realise or dispose of the Assets (including any margin collateral and safe custody assets) in order to realise proceeds which may be applied in the discharge of such sums.
